If the Governor's Declaration of Emergency Directive 006 Section 2 remains in effect at the time of this meeting, members of the public may submit public comment by logging into the ZOOM webinar by accessing the following link: <https://us02web.zoom.us/j/86590301748>. NOTE: This option will require a computer with audio and video capabilities. Additionally, public comment can be submitted via email to [washoe311@washoecounty.us](mailto:washoe311@washoecounty.us) or by leaving a voice message at: (775) 954-4664. Voice messages received will either be broadcast into the Commission Chamber during the meeting or transcribed for entry into the record. The County will make reasonable efforts to include all comments received for public comment by email and voicemail into the record. Please try to provide comments by 4:00 p.m. on October 5, 2020.

If Directive 006, Section 2 is no longer in effect, members of the public may submit public comment in person or by logging into the ZOOM webinar as described above.

The Commission Chair may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive conduct may or may not be given before removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

**Time Limits.** Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting. Persons may not allocate unused time to other speakers.

**Responses to Public Comments.** The Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item: "\*\*Commissioner's Comments: (This item limited to announcements or topics/issues proposed for future workshops/agendas)".
