NOW THEREFORE, the parties, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, do hereby agree as follows:

1. Grant of Easement. County also grants to Grantee and its respective successors, assigns, licensees,

contractors, invitees and agents, a temporary construction easement in, on, over, under, and across the Temporary Construction Easement Area for the purposes of constructing and installing the Slope and Landscaping Improvements as well as the associated trail improvements, as shown in Exhibit “D” (Trail Improvements”), provided however, that the work shall be coordinated with Washoe County Regional Parks and Open Space staff to avoid construction during planned and/or permitted field activities. Said Temporary Construction Easement shall expire on the earlier to occur of: (i) completion of the Slope and Landscaping Improvements and associated revegetation; or (ii) eighteen (18) months from the date of recording of this Agreement in the office of the Washoe County Recorder.

2. Easement Access. Grantee, its successors, assigns, agents, contractors, employees and licensees shall have at all times ingress and egress to the Slope and Landscape Easement Area for the purposes set forth above, including without limitation constructing, altering, maintaining, inspecting, repairing, reconstructing and operating said Slope and Landscaping Improvements. Grantee, its successors, assigns, agents, contractors, employees and licensees shall have, for the duration of the Temporary Construction Easement, ingress and egress to the Temporary Construction Easement Area for the purposes set forth above.

3. Landscaping Plans. Prior to installation of the Slope and Landscaping Improvements or any associated revegetation, Grantee shall submit landscaping plans to County for review and approval.

4. Mitigation. Grantee agrees to provide mitigation for the slope and temporary construction easements in the form of ongoing landscaping maintenance of the Slope and Landscape Easement Area and construction of a trail, pursuant to the preliminary alignment identified in Exhibit “D”. Trail specifications shall be reviewed and approved by County prior to construction.

5. Maintenance. Subject to Section 10 below, Grantee agrees to maintain perpetually the Slope and Landscaping Improvements in good order and repair, and consistent with the County’s standards for maintenance of such improvements, as amended from time to time. The County’s standards for maintenance include, but are not limited to, timely removal of graffiti on the retaining wall and structural maintenance for the retaining wall.

6. Warranties and Representations by County. County warrants and represents that County owns the County Property and there are no prior encumbrances or liens running with the County Property which will frustrate or make impossible Grantee’s enjoyment of the County Property. County has full power and authority to sell and convey the County Property to Grantee and to enter into and perform its obligations pursuant to this Agreement. The person signing this Deed and other instruments required under this Deed on behalf of County is duly authorized to so sign and has the full power and authority to bind County.

7. Hold Harmless. Subject to the limitations in NRS Chapter 41, Grantee shall hold County harmless from any loss, damage or injury suffered or sustained by Grantee or third parties for any injury or damage caused by any act or omission of Grantee in its use of the easements granted herein.

8. County's Reservation of Rights. Subject at all times to the limitations and provisions of Section 8.1, County reserves to itself, and to its successors, agents and assigns, (i) the right of ingress and egress over the surface of the Slope Easement Area and (ii) the right to use the surface area of the County Property for parks and recreation purposes and uses by the general public. County reserves the right to make reasonable improvements to the County Property for public recreation purposes and consistent with its use as a park.

8.1 No Unreasonable Interference. County shall not erect any buildings or structures on the County Property or otherwise use the County Property in a manner that places an unreasonable burden on or unreasonably interferes with Grantee's full use and enjoyment and the rights granted herein. Grantee acknowledges that Grantor's present and future public recreational uses of, and practices on, the County Property are compatible with this Deed. Grantor reserves the right to use and enjoy the County Property and Slope Easement Area in accordance with those present parks and recreational practices and uses now and in perpetuity.

9. Entire Agreement and Severability. This Deed constitutes the parties' entire understanding concerning the subject matter of the agreement between the parties and these understandings supersede all prior oral or written understandings or discussions of any kind relating to this subject matter. No modification or amendment to this Deed shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto. If any provision of this Deed is determined to be illegal, invalid, or unenforceable, the provision shall be deleted and the parties shall, if possible, agree on a legal, valid, and enforceable substitute provision that is as similar in effect to the deleted provision as possible. The remaining portion of this Deed not determined to be illegal, invalid, or unenforceable shall, in any event, remain valid and effective for the term remaining unless the provision found illegal, invalid, or unenforceable goes to the essence of this Deed.

10. Assignment. The County acknowledges that it is Grantee's intent to assign its rights and obligations under this Deed over to the Association. The County hereby consents to said assignment, and upon recordation in the Official Records of such an assignment executed by Grantee, Grantee shall be released from this Deed, and thereafter the Association shall be deemed sole "Grantee" hereunder, and shall solely possess all rights and obligations of "Grantee" herein. Subject to the foregoing, the terms contained herein shall be binding upon and shall inure to the benefit of County and Grantee, and the successors, agents and assigns of County and Grantee, and all rights herein granted may be assigned.

12. Enforcement; Breach Shall Not Permit Termination. Each party bound hereby shall have the right (but not the duty) to enforce its rights hereunder against the other parties hereto. No breach of this Agreement shall entitle any party to cancel, rescind or otherwise terminate this Agreement, but such limitation shall not affect in any manner any other rights or remedies which may be available to such party at law or in equity.
