

May Center Report – January 2022 Open Space and Regional Park Commission Meeting

May Museum

HIGHLIGHTS

- ◆ The Museum opened “Sweet: A Tasty Journey.” This exhibition is the first big traveling show since the pandemic started. It is from Stage 9 Exhibitions, a Sacramento-based exhibit company. *Sweet* explores the world of candy and chocolate with colorful, interactive elements for visitors of all ages. The exhibit opened to rave reviews. It will be on display through May 15.
- ◆ The Museum acquired a rare blueprint of Wilbur May’s Double Diamond Ranch House from a fine art auction house in Minnesota. The blueprint will be added to the Museum archive.

Upcoming

- ◆ The Museum will continue the *Sweet* exhibition with an after-hours adult night for Valentine’s Day.
