

Park Planning and Development

Open Space and Regional Park Commission Meeting

JANUARY 2022

PLANNING HIGHLIGHTS

- The Thomas Creek to Ballardini Ranch Connector Trail project was advertised on Demandstar and one bid was received. The contract was awarded to Sierra Trail Works to construct 3.5 miles of new multi-use singletrack trail that will connect the Thomas Creek and Ballardini Ranch Trailheads. Construction is anticipated to start in April 2022.
- Development of the Carcione and Canepa Ranch Recreation Access Plan is nearing completion. The second public meeting was held on December 9th and the second public survey closed on January 14th. Staff are working with our consultants to analyze the survey results and other received comments to develop a preferred plan. The plan will be presented to the Park Commission at the March or April meeting.
- The Hidden Valley Regional Park Master Plan update is also underway. The second public survey closed on January 21st and a second public meeting will be held sometime in February or March.
