Holiday Cardboard Ornaments

Materials:

- Cardboard
- Scissors/box cutter
- Pencil
- Paint
- Glue
- Nature greenery (leaves, pine, juniper, etc.)
- String

Directions:

1. Start by outlining the ornament shape/design that you would like on your piece of cardboard using pencil. (Snowman, hat, mittens, trees, animals, stars, etc.)

2. Then, using the scissors of a box cutter (ask an adult for help on this), cut out the shapes and designs that you have drawn.

3. Once they are cut out, make a small hole at the top of each ornament so you can string it up later.

4. Paint your ornament however you'd like. Let dry.

5. Once it has dried completely, use your string to make a loop so you can hang it up later.

6. Glue on pieces of the nature greenery you have collect. Let dry.

7. Hang up your new ornament!
