80%	\$60,150	\$1,500	\$250,000
100%	\$75,200	\$1,880	\$312,500
120%	\$90,240	\$2,260	\$375,000
150%	\$112,800	\$2,820	\$468,500
250%	\$188,000	\$4,700	\$781,000

^{*}Average 3-person household

Key Trends: Jobs/Housing Change Since 2010

Key Trends: Loss of Core Employees/Workforce

Students

But students applying for jobs are down

Public elementary school enrollment would have been up last year if local families had not been displaced.

Elementary and junior high enrollment

Key Trends: Loss of Rentals/Unstable Inventory

Over 570 renters (40%) forced to move in past 3 years

- 26% unit sold by owner
- 14% owner moved in
- 13% unit converted to short-term rental

"The situation here is beyond a crisis. I resided in 16 different places in 5 years. I have finally found a decent place and a nice landlord. The lack of housing caused ongoing extreme stress in my life for 6 years."

2021 Survey comment

Key Trends: Rising Commuting

53% commute in for work

Primary service/education workers living locally dropped from 54% (2009) to 35% (2021)

2,600 people/day

12,000 VMT person/year

\$500 cost/mo "[A]t least half a dozen staff members have been forced out of Incline and have had to move to Reno or Carson, just this year alone. All but one have also resigned their positions..."

2021 Survey comment

Key Trends: Maintaining Services

Unfilled jobs – 10% average (varies by business)

Turnover – up to 80% last year!

Reduced services, service hours, and closed businesses

- Affects golf/beach services and recreation
- Bars, restaurants, hardware/essentials, home and community services, etc.

COVID accelerated the problem; existed pre-COVID... longer term trend

Housing is a competitive advantage to hiring in this environment

"The number one issue is housing and it has prevented [Lake Tahoe School] from hiring some very talented people."

Stakeholder interview

"The almost total absence of affordable housing options for local employees is hurting my business and others! We have to close certain days because we can't find employees which hurts our bottom line."

2021 Employee Survey comments

Key Trends: Pending Retirement

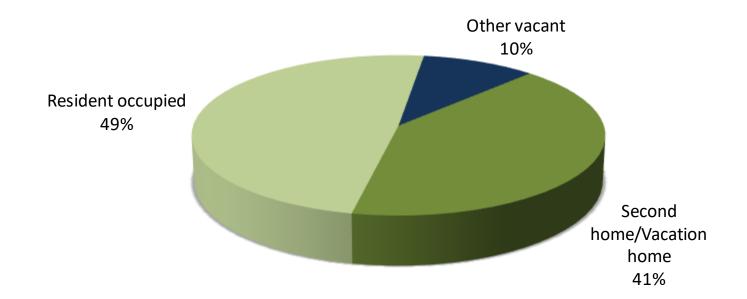

15% of local workers plan to retire in the next five years

- Senior staff, owners (stable housing)
- Effectively 0% rental vacancy, rising rents
- Employees making over \$100,000 cannot find housing
- All employers have had employees decline positions, or leave shortly after taking them, due to the inability to locate suitable housing in the area

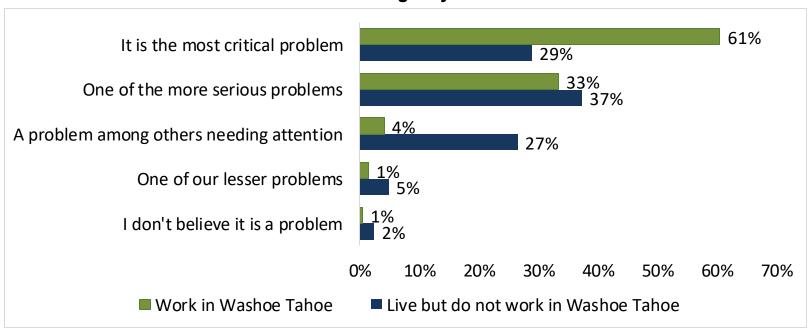

"There's going to be a crisis!"
2021 Employer interviews

Challenge: Housing Occupancy

Challenge: Community Perception

"How do you feel about the issue of people who work in Incline Village/Crystal Bay being able to find housing they can afford?"

Challenge: Cost of Development

Homeownership

Total: \$540K

Soft Costs: \$80K Local Permits & Fees: \$40K

Site & Infrastructure Cost: \$20K
