### SUMMARY

Approve a "Second Amended and Restated Development Agreement (Ladera Ranch, LLC)" to extend the deadline to file the next in a series of final maps in the Ladera Ranch residential subdivision to July 5, 2017.

Washoe County Strategic Objective supported by this item: Safe, secure and healthy communities.

### **PREVIOUS ACTION**

July 5, 2005 – The Tentative Subdivision Map for Ladera Ranch residential subdivision (TM05-011) was approved by the Washoe County Planning Commission.

May 26, 2009 – A Development Agreement (DA09-004) extending the deadline to file the next final map until July 5, 2011 was approved by the Board of County Commissioners. (Ordinance Number 1406)

May 24, 2011 – An Amended and Restated Development Agreement (AC11-002) further extending the deadline to file the next final map until July 5, 2015 was approved by the Board of County Commissioners. (Ordinance Number 1461)

### **BACKGROUND**

When a tentative subdivision map is approved, Nevada law imposes a schedule for filing final maps or the tentative map will be lost. See NRS 278.360. Unless the deadline is extended pursuant to a Development Agreement, a final map for the whole project, or if the project is being phased, the first in the series of phase final maps must be approved and recorded within four years of the approval of the tentative map. Thereafter phased final maps must be filed every two years.

The Tentative Subdivision Map for Ladera Ranch was approved in 2005 and the first final map was recorded in 2007. No site improvement work has been done at the project location. As a result of the down-turn in the housing market starting in 2008, Washoe County entered into a Development Agreement with the property owner extending the deadline for filing the next final map until July 5, 2011, (Ordinance Number 1406) and that development agreement was later amended to further extend the deadline until July 5, 2015 (Ordinance Number 1461).

The original developer no longer owns the property. The current owner is requesting approval of a “Second Amended and Restated Agreement” to further extend that deadline until July 5, 2017.

Staff believes the further extension is justified and recommends approval of a “Second Amended and Restated Agreement” granting an extension until July 5, 2017.

### **PROCESS TO AMEND THE DEVELOPMENT AGREEMENT**

Under NRS 278.0205 and Washoe County Code (WCC) Section 110.814.40, such an amendment must be made by ordinance after special notice and public hearing. Attached as Exhibit A is the proposed “Second Amended and Restated Agreement” which extends the date for recording the next final map until July 5, 2017 and provides that the agreement will terminate if the next map is not filed by then. Attached as Exhibit B is the proposed Ordinance adopting the Exhibit A Agreement.

Staff recommends that the Board of County Commissioners review the proposed “Second Amended and Restated Agreement” (Exhibit A) and if it is acceptable, introduce and hold a first reading of the ordinance (Exhibit B). Staff further recommends that the public hearing for the second reading and possible adoption of the ordinance be set for March 24, 2015 at 3:00 p.m.

## **PERIODIC REVIEW OF COMPLIANCE BY DEVELOPER**

As required by NRS 278.0205 (1) and WCC Section 110.814.35 the Director of the Planning and Development Division has reviewed the development agreement and the status of the project and believes that the developer is in good faith compliance with the terms of the agreement.

## **COMPLIANCE WITH MASTER PLAN**

NRS 278.0205 (2) and WCC Section 110.814.40 (b) require that when Development Agreements are adopted or amended, there must be a finding that the agreement is consistent with the Master Plan.

When the subdivision Tentative Map was approved, the Planning Commission determined that the development was consistent with the Master Plan. The Development Agreement did not change any uses, standards or policies that would be inconsistent with the Master Plan. Likewise, this “Second Amended and Restated Agreement” makes no changes to uses, standards or policies that would be inconsistent with the Master Plan. Only the time schedule for development is being changed.

## **FISCAL IMPACT**

There is no fiscal impact associated with this item.

## **RECOMMENDATION**

It is recommended that the Board of County Commissioners hold the introduction and first reading of an ordinance approving a “Second Amended and Restated Development Agreement (Ladera Ranch, LLC)” replacing a Development Agreement originally approved in 2009 (Development Agreement Case Number DA09-004 Ordinance Number 1406) regarding the Ladera Ranch Subdivision (approved in 2005 as Tentative Map TM05-011). This restated agreement (Case No. DA15-001) extends the deadline for filing the next in a series of final subdivision maps to July 5, 2017. The project includes a total of six parcels. The subject parcels are contiguous to each other and located to the south of Golden Valley Road/West Seventh Avenue, approximately one mile west of the intersection of West Seventh Avenue and Sun Valley Boulevard and approximately one mile east of the intersection of Golden Valley Road and Spearhead Way. The parcels total approximately 376 acres and have mixed regulatory zones including High Density Rural (HDR, ±61.33 acres), Low Density Suburban (LDS, ±135.3 acres), Medium Density Suburban (MDS, ±94.15 acres) and Open Space (OS, ±85.3 acres). The parcels are located within the Sun Valley Area Plan, and are situated in portions of Sections 13 and 24, T20N, R19E, MDM, Washoe County, Nevada. (APNs 082-473-07, 082-473-08, 082-473-09, 082-473-11, 082-473-12, 502-250-05.); and, if approved, schedule a public hearing for second reading and possible adoption of the ordinance for March 24, 2015 at 3:00 p.m.

## **POSSIBLE MOTION**

Should the Board agree with staff’s recommendation, a possible motion would be: “Move to hold the introduction and first reading of an ordinance approving a “Second Amended and Restated Development Agreement (Ladera Ranch, LLC)” replacing a Development Agreement originally approved in 2009 (Development Agreement Case Number DA09-

004 Ordinance Number 1406) regarding the Ladera Ranch Subdivision (approved in 2005 as Tentative Map TM05-011). This restated agreement (Case No. DA15-001) extends the deadline for filing the next in a series of final subdivision maps to July 5, 2017. The project includes a total of six parcels. - (a) Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal;
- (b) The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the subdivision;
