PREVIOUS ACTION

On July 14, 2015, the Board of County Commissioners approved the County's debt management policy as of June 30, 2015.

BACKGROUND

NRS 350.013(1)(c) requires that on or before August 1 of each year, the governing body of a municipality which either proposes to issue new debt or has outstanding debt to submit to the Department of Taxation and the county debt management commission a written statement of the debt management policy of the municipality. The policy must include:

1. A discussion of its ability to afford existing general obligation debt, authorized future general obligation debt and proposed future general obligation debt;

AGENDA ITEM # 5.L.1

2. A discussion of its capacity to incur authorized and proposed future general obligation debt without exceeding the applicable debt limit;
3. A discussion of its general obligation debt that is payable from property taxes per capita as compared with such debt of other municipalities in this State;
4. A discussion of its general obligation debt that is payable from property taxes as a percentage of assessed valuation of all taxable property within the boundaries of the municipality;
5. Policy regarding the manner in which the municipality expects to sell its debt;
6. A discussion of its sources of money projected to be available to pay existing general obligation debt, authorized future general obligation debt and proposed future general obligation debt; and
7. A discussion of its operational costs and revenue sources, for the ensuing 5 fiscal years, associated with each project included in its capital improvement plan if those costs and revenues are expected to affect the property tax rate.

The attached policy, which was drafted with the assistance of the Comptroller's Office, Community Services Department and the County's disclosure agent, Zions Bank Public Finance, fulfills these requirements.

FISCAL IMPACT

There is no financial impact associated with the filing of this Debt Management Policy. The policy itself cannot authorize the issuance of any new debt. State law specifies very specific steps for the authorization of debt including separate adoption by the Board of County Commissioners of a bond resolution and bond ordinance. The County does not plan on issuing any new debt in Fiscal Year 2016-17.

RECOMMENDATION

It is recommended that the Board of County Commissioners approve the attached Debt Management Policy for Washoe County as of June 30, 2016. If approved, staff will submit the adopted policy to the county debt management commission and Department of Taxation by August 1.

POSSIBLE MOTION

Should the Board agree with staff's recommendation, a possible motion would be: "Move to approve Washoe County's Debt Management Policy as of June 30, 2016."
