**RE: Washoe County COVID-19 Local Authority Mitigation and Enforcement Plan**

Dear Mr. Cage:

The City of Reno hereby endorses the Washoe County COVID-19 Local Authority Mitigation and Enforcement Plan being presented to the Washoe County Board of Commissioners on May 3, 2021.

The stepped approach outlined in this plan will allow businesses an increase in capacity for the month of May in preparation for a full opening on June 1, while also allowing time for more Washoe County residents to get fully vaccinated and for schools to complete the current in-person semester.

We look forward to working with our regional partners on the execution of this equitable, sustainable, and safe reopening plan for our region.

Please let me know if you have any questions at this time.

Sincerely,
