

# WASHOE COUNTY

## CDBG Informational Meeting Projects Starting July 1, 2024

# CDBG PROCESS

## U.S. Department of Housing and Urban Development (HUD)

- Allocations distributed annually by the Governor's Office on Economic Development to:
  - 15 Rural counties
  - 11 Rural incorporated cities
  - Approximately \$2.8 million

## Unincorporated Washoe County Projects

# HUD Program Outcomes

Develop viable communities by meeting the objectives of:

- ✓ Expanding economic opportunities
- ✓ Providing suitable living environment
- ✓ Providing decent housing

# CDBG NATIONAL OBJECTIVES

The HCD Act requires that CDBG-funded activities meet one of the following three national objectives:

	National Objectives
#1	Benefit <b>51%</b> or more <b>LMI persons</b>
#2	Aid in the prevention or elimination of <b>slum or blight</b>
#3	Address a <u>recent</u> <b>urgent</b> community development <b>need</b>

# AREA BENEFIT (LMI-A)

Activity benefits available to all residents in a particular area [see 24 CFR 570.483(b)(1)]:

- Must be the entire area served by activity;
- At least 51% of area residents must be LMI;
- Area served must be primarily residential.

LMI documentation for 51% or greater by:

- 1) HUD provided data---Census data/LMI levels, or
- 2) Income survey data (HUD Notice CPD-05-06)
  - Local applicant defines service area and state provides approval.

# LIMITED CLIENTELE (LMI-C)

Activity may Benefit a limited clientele, per HUD regulation (24 CFR 570.483(b)(2):

Activity may benefit at least one of eight categories of generally presumed principally LMI persons:

- 1) Children who are abused
- 2) People who are homeless
- 3) Adults who are severely disabled
- 4) Spouses who are battered
- 5) People who are elderly
- 6) Adults who are illiterate
- 7) People living with AIDS
- 8) Farm workers who are migrant

# ACTIVITY FUNDABILITY

For a project to be fundable it must pass two tests:

- Must meet a National Objective and
- Must have an Eligible Activity

*Refer to: Guide to National Objectives and Eligible Activities for State CDBG Program*

# PUBLIC FACILITIES

**Eligible activities include the acquisition, construction, reconstruction, rehab or installation of public facilities and improvements, including:**

- Infrastructure Improvements (Construction and installation)
- Neighborhood Facilities (Parks, playgrounds)
- ADA Accessibility

# ECONOMIC DEVELOPMENT

**Eligible activities** include:

- The acquisition, construction, reconstruction, rehab or installation of commercial or industrial buildings, structures or other real property, equipment and/or improvements
- Assisting a private, for-profit business, including micro-enterprise assistance
- Providing economic development services in connection with CDBG eligible ED activities
- Job training, placement, or other types of service (public service or ED)
- Rehabilitation of publicly and privately owned commercial structures

# Planning & Capacity Building

- Plans to assist in determining community needs.
- Plans related to implementing a CDBG-assisted project.

All planning grants must lead to a project.

# Eligible Projects

## Examples of eligible projects:

- Water, wastewater and storm drain design and construction
- Streets, roads and sidewalks
- Fire stations
- Community, senior and youth centers
- Emergency vehicles/equipment
