

Potential CAB Topics/Items

Agenda Items the CAB and the public would like to hear:

- ~~• The closing of Fire Station 30.~~
- Ambulance and medical services lack in the rural areas of District 2, Pleasant and Washoe Valley
- Regionalization of emergency dispatch, fire and emergency medical services
- ~~• BLM – regarding pathways, soil, abandon vehicles, public shooting.~~
- Federal Lands Bill (2023-2024)
- ~~• Bat Box ballot measure – What happened to it?~~
- ~~• Street Racing on Veterans Pkwy and high school parking lots (City of Reno)~~
- Homeless – CARES presentation, encampments – Would be good for 2023-2024
- ~~• Envision 2040~~
- ~~• Meet the new commissioner~~
- ~~• Park Master Plan for the south valleys~~
- Planning Department for permitting, how to build expediency (example: installing a well) in an overly cumbersome process. Community Development about the development process and navigating home improvements. (2023-2024)
- Annexation and current boundaries
- Department of Agriculture for Virginia Range Horse program/awareness campaign
- ~~• Presentation on Envision Washoe 2040 and the survey(s) that can be taken and upcoming process.~~
- NDOT recently made some traffic control changes along Mt. Rose Highway, and they may not have any significant data as to the effectiveness of those changes, yet but that could be another topic. An update presentation would be good in 2023-2024. Plans for future or share on recent within CAB boundary area.
- RTC up and coming projects.
- County road department for an update or info on upcoming projects.
- **Update on the Lands Bill** – it was suggested that the director to TMRPA may provide some good info. Ever since Bill Whitney left Washoe County a couple years ago, I am not sure if anyone has been assigned to work on this. Can provide map or more general information about the status of the Lands Bill. (2023-2024) Make a priority for December 2023.
- **Update on S. Valleys Regional Park and General Discussion of Open Space and Trails Opportunities (existing and future) in Washoe County.** Dog Park opportunities in the South Valleys seemed to be a good topic for inclusion – an update would be great (2023-2024)
- ~~• **Marijuana Facilities and Lounge Ordinance discussion/status** – Issues presented as concern were predominately directed at Sol in Washoe City. Concerns included smells/odor, sounds from bands playing, lighting (too bright and may need shielding)~~
- Bring back developers to the CAB
