FOOD RESOURCES CONTINUED

Mobile Harvest: Access to nutritious, healthful food is vital for the community members we serve. Throughout the month, the Food Bank's Mobile Harvest program visits neighborhoods across northern Nevada and eastern California to distribute produce and other fresh food items to clients. All community members in need of food assistance are welcome to visit Mobile Harvest. There are no qualification requirements, and each household may pick up food from a Mobile Harvest distribution once per week.

FAMILY RESOURCES

Family Resource Center: Family Resource Centers provide case management, information, and referrals for individuals and families in need of assistance in accessing services and programs that will strengthen and support the family. FRCs collaborate with other agencies, schools, faith-based organizations, and government agencies to assist families to obtain needed services. FRCs emphasize community based, collaborative services that are culturally competent, accessible, and flexible. They offer: food programs, employment assistance, parenting education, adult literacy and English classes, financial literacy/credit counseling, utility assistance, shelter/housing, and medical/dental/mental health services.

HOUSING ASSISTANCE

Rental Assistance

Catholic Charities of Northern Nevada, Homelessness

Prevention: Catholic Charities offers rental assistance designed to prevent homelessness. All individuals seeking housing assistance must complete a screening assessment. For more information, please contact Barbara Wickham, Bwickham@ccsnn.org, 775-322-7073 ext. 342

Reno Housing Authority, Emergency Rental Assistance

Program: Priority will be given to applicants whose income is at or below 50% of the Washoe County area median income (AMI). Priority will also be given to households in which at least one adult member has been unemployed for the 90 days prior to application. At the time of application, applicants will be informed of priority criteria and asked if their current income falls below 50% AMI and /or if an adult household member has been employed for more than 90 days. Applicants that answer yes to either of these two questions will be given points placing them higher on the waitlist. Applicants must provide proof that the priority applies before the file will be referred for payment. If the applicant cannot provide proof that they meet either of these priorities, the points will be removed, and they will be returned to the waitlist. For more information, <https://www.renoha.org/chap/>

Washoe Affordable Housing Corporation, Homeless Prevention Program: The objective of WAHC's Homeless Prevention Program is to prevent homelessness arising from emergencies that temporarily jeopardize a family or individual's ability to pay rent or utilities and to provide relocation assistance to individuals or families whose rent has become unaffordable. The jurisdiction for this program is Washoe County. The Homeless Prevention Program allocates resources to preventing homelessness so that families do not have to experience shelters or live on the streets. It also helps minimize public resources dedicated to the homeless population within Washoe County. For more information, <https://www.wahc.info/homeless-prevention-program/>

UTILITY ASSISTANCE

Energy Assistance Program:

The Energy Assistance Program (EAP) provides a supplement to assist qualifying low-income Nevadans with the cost of home energy. Nevada's EAP program has two funding sources, the Low Income Home Energy Assistance Program (LIHEAP) federal block grant and state revenue generated from Nevada's Universal Energy Charge (UEC). The EAP program year begins July 1st and applications are accepted through June 30th. Applications are evaluated year round or until funding is exhausted. Eligible households receive an annual, one-time per year benefit customarily paid directly to their energy provider(s). To check your eligibility for assistance and apply, please use this link https://dwss.nv.gov/Energy/1_Energy_Assistance/

WEATHERIZATION & HOME IMPROVEMENT

Weatherization and Home Improvement

Community Services Agency (CSA): CSA's Weatherization Assistance Program (WAP) helps low-income individuals and families in Washoe County reduce their energy bills by making their homes more energy efficient. This program can help reduce energy costs by repairing, replacing, or upgrading things in your home that use the most energy. Through these energy conservation measures participating households can improve the health and safety of their homes while saving an average of \$283 or more per year. For questions about the program or to request application assistance, please contact Angela Hernandez at (775) 786-6023 ext. 1026 or ahernandez@csareno.org.

Homeowners or renters who make 200% or less of the federal poverty level are eligible for services at no cost. Landlords may be required to pay 50% of any capital improvement measures that are installed in eligible rental properties. Any Washoe County homeowner or renter is welcomed and encouraged to apply. There are no age restrictions, but the program does prioritize assistance to seniors, households with children, and individuals with disabilities.

WEATHERIZATION & HOME IMPROVEMENT CONTINUED

Rebuilding Together Northern Nevada: Rebuilding Together Northern Nevada works to ensure safe homes and communities for our neighbors with fewer resources. Our work supports low-income seniors, veterans, people with disabilities and families in need. See our eligibility requirements below. During these uncertain times, a high priority is placed on helping those most vulnerable to the COVID-19 virus. For more information: <https://rebuildingtogethernnv.org/find-help>

Eligibility Requirements:

1. Your home must be located in a Northern Nevada county.
2. You must own your home, live in it as your primary residence, provide proof of ownership (through a current property tax statement or current homeowners insurance policy), and intend to remain in the home for at least two years after receiving free repairs from RTNNV.
3. You must meet HUD Income Limits. Your HUD income limit is the gross combined income for all residents of your home, including any rental income, and must be less than the amount shown below. Proof of income for all residents 18 years and older in the home is required. Acceptable proof of income includes but is not limited to past year income tax statements, payroll stubs, social security or disability statements, pension and/or veteran benefits statements, alimony or child support statements, AFDC statements, and proof of any rental income or other assets.

Low-cost Vaccination Clinics

SPCA of Northern Nevada: The SPCA of Northern Nevada offers a low-cost vaccine and microchip clinic to make sure your pet can live a long, happy, and healthy life. Clinic typically runs the second and fourth Tuesday of each month from 5 p.m. to 7 p.m. and every Saturday and Sunday from 11 a.m. to 3 p.m. During the holiday season, the vaccine and microchip clinic dates may be altered. Our vaccination and microchip clinic is available by appointment only. A \$15 deposit will be required for each animal. All deposits are non-refundable and non-transferrable. For more information, please follow this link:
<https://spcanevada.org/services/vaccination-microchip-clinic/>

Nevada Humane Society: Offers low-cost vaccine clinics and spay/neuter services to the public. They offer public vaccine clinics at the Reno location every Wednesday morning. Vaccine Clinic appointments can be made online using this link:
