MEMORANDUM

26 January 2018

To: Nevada Board of Wildlife Commissioners, County Advisory Boards to Manage Wildlife, and Interested Publics

From: Chet Van Dellen, Data and Technology Services Division Administrator

Title: Commission General Regulation 476, LCB File No. R142-17, Processing Fees – Workshop

Description: The Commission will review and recommend draft regulations for Nevada Administrative Code Chapter 502.118 to implement a $1 processing fee for the purchase of hunting, fishing and trapping licenses, boating registrations, hunt applications and other services provided by the Department.

Agenda No: 14-B

Summary:
The current Nevada Administrative Code (NAC) Chapter 502.118 allows the Department to charge an online convenience fee of $2 per resident hunt application, $3.50 per nonresident hunt application, and $2 for all other transactions. The Department proposes to reduce this fee to $1 for all customers, regardless of residency, and apply this as a processing fee to all transactions conducted through the Department’s licensing system, regardless of method.

Brief Explanation of the Proposed Regulation

Proposed revisions to regulations pertaining to fees for applications submitted electronically (NAC 502.118):

3a. Eliminate the authority for the Department to charge a fee of $2 for resident tag or bonus point applications submitted electronically
3b. Eliminate the authority for the Department to charge a fee of $3.50 for nonresident tag or bonus point applications submitted electronically
3c. Eliminate the authority for the Department to charge a fee of $2 for any other application submitted electronically
3. Replace the eliminated fees with the authority for the Department to charge a fee of $1 for processing each license, permit, tag, certificate of ownership, certificate of number, or any other service provided by the Department

Recommendation:
The Department recommends that the Commission review the proposed regulation and present comment and/or revisions to these regulations as needed. A final draft of these regulations will be submitted to the Commission for a vote to adopt under Commission General Regulation 476.

BOARD OF WILDLIFE COMMISSIONERS

EXPLANATION – Matter in italics is new; matter in brackets [omitted-material] is material to be omitted.

AUTHORITY: §1, NRS 501.105 and 501.181.

A REGULATION relating to fees; authorizing the Department of Wildlife to charge and collect a fee of $1 for processing certain applications; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires the Board of Wildlife Commissioners to establish policies and adopt regulations necessary to preserve, protect, manage and restore wildlife and its habitat in this State. (NRS 501.105) Existing law also authorizes a state agency, upon approval of the State Board of Finance, to enter into a contract with an issuer of credit cards or debit cards or an operator of a system that provides for the electronic transfer of money to provide for the acceptance of credit cards, debit cards or electronic transfers of money by the state agency for certain payments. If the issuer or operator charges the state agency a fee for each use of a credit card or debit card or for each electronic transfer of money, the state agency may require the cardholder or the person requesting the electronic transfer of money to pay a convenience fee when appropriate and authorized. (NRS 353.1465) Pursuant existing law, the Board has adopted regulations authorizing the Department of Wildlife to charge and collect, for applications that are submitted to the Department electronically, a fee of: (1) $2 for a resident tag or bonus point; (2) $3.50 for a nonresident tag or bonus point; and (3) $2 for any other application. (NAC 502.118) This regulation deletes those fees and instead authorizes the Department to charge and collect a fee of $1 for processing each application that is submitted to the Department electronically for any license, permit, tag, certificate of ownership, certificate of number or any other service provided by the Department.
