Description

Special Use Permit Case Number WSUP17-0002 (Ceja Second Home) – For possible action, hearing, and discussion by the Washoe County Board of Adjustment to approve a special use permit to allow an existing 800 square foot dwelling unit to become a detached accessory dwelling unit to a new 1,680 (approx.) square foot manufactured home which will be placed on the same lot.

- Applicant/Property Owner: Carmelo Barajas-Ceja
  1260 Russell Way
  Sparks, NV  89431
- Location: 5439 Woods Drive, Sun Valley
- Assessor’s Parcel Number: 085-770-54
- Parcel Size: 0.347 acres (15,115 square feet)
- Master Plan Category: Suburban Residential (SR)
- Regulatory Zone: Medium Density Suburban (MDS – maximum allowed density – 3 units per acre)
- Area Plan: Sun Valley
- Citizen Advisory Board: Sun Valley
- Development Code: Authorized in Article 810, Special Use Permits
- Commission District: 3 – Commissioner Jung
- Section/Township/Range: Section 19, T20N, R20E, MDM, Washoe County, NV
Special Use Permit

The purpose of a Special Use Permit is to allow a method of review to identify any potential harmful impacts on adjacent properties or surrounding areas for uses that may be appropriate within a regulatory zone; and to provide for a procedure whereby such uses might be permitted by further restricting or conditioning them so as to mitigate or eliminate possible adverse impacts. If the Board of Adjustment grants an approval of the Special Use Permit, that approval is subject to Conditions of Approval. Conditions of Approval are requirements that need to be completed during different stages of the proposed project. Those stages are typically:

- Prior to permit issuance (i.e. a grading permit, a building permit, etc.)
- Prior to obtaining a final inspection and/or a certificate of occupancy on a structure
- Prior to the issuance of a business license or other permits/licenses
- Some Conditions of Approval are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the business or project.

The Conditions of Approval for Special Use Permit Case Number WSUP-0002 are attached to this staff report and will be included with the Action Order if the special use permit is approved by the Board of Adjustment.

The subject property is zoned Medium Density Suburban (MDS). Detached Accessory Dwellings are a residential use type defined in WCC Section 110.304.15 and are allowed in the MDS zone but only with a Board of Adjustment special use permit per WCC Table 110.302.05.1. The applicant is therefore seeking approval from the Board of Adjustment of the proposed special use permit.
Site Plan
Floor Plan of proposed residential dwelling unit
Project Evaluation
The proposed project is a detached accessory dwelling of 800 square-feet to be located at 5439 Woods Drive in Sun Valley. The 800 square foot accessory dwelling is existing on the property and the applicants are asking to place a new 1,680 square-foot home on the property as the primary residence. Staff visited the site and concluded that there will be no substantive impact associated with the proposed request on the surrounding properties.

Section 110.306.25 Detached Accessory Dwellings. Detached accessory dwellings are defined in Article 304, Use Classification System, under Section 110.304.15, Residential Use Types. Detached accessory dwellings are allowed in the General Rural (GR) and General Rural Agricultural (GRA) Regulatory Zones, and are permitted in the Low Density Rural (LDR), Medium Density Rural (MDR), High Density Rural (HDR), and Low Density Suburban (LDS) Regulatory Zones pursuant to the administrative review process and requirements of this section. A detached accessory dwelling is permitted in the Medium Density Suburban (MDS) Regulatory Zone subject to a special use permit reviewed by the Board of Adjustment. Any detached accessory dwelling unit must adhere to the following requirements:

(a) A main residential unit exists and no other accessory dwelling unit has been established.
(b) A minimum lot area of twelve thousand (12,000) square feet exists.
(c) Compliance with the setback and height standards of the regulatory zone and the lot coverage standards enumerated in Section 110.306.10(a).
(d) Except for in the Medium Density Suburban (MDS) Regulatory Zone, the detached accessory dwelling unit shall not exceed fifteen hundred (1,500) square feet, or fifty (50) percent of the total square footage of the main dwelling unit, whichever is smaller. In the Medium Density Suburban (MDS) Regulatory Zone, the detached accessory dwelling unit shall not exceed eight hundred (800) square feet or fifty (50) percent of the total square footage of the main dwelling unit, whichever is smaller. The square footage of garages, crawl spaces, cellars, attics, or basements not designed for human occupancy shall not be included when calculating the total square footage of the main dwelling unit, unless such areas have been legally converted into habitable space. The maximum permitted square footage of a detached accessory dwelling unit shall not be increased by use of the variance process contained in Article 804, Variances, except for conversion of a guest house that was legally constructed prior to May 26, 1993 to a detached accessory dwelling unit.
(f) A minimum of one (1) off-street parking space shall be added, in addition to the applicable parking requirements of the main unit. Additional parking beyond the one (1) off-street parking space added may be required pursuant to the provisions of Article 410, Parking and Loading.
(g) Only one (1) accessory dwelling unit is allowed per parcel.
**Sun Valley Citizen Advisory Board (SVCAB)**

The proposed project is scheduled to be presented by the applicant at the regularly scheduled Citizen Advisory Board meeting on April 3, 2017. Staff will provide the Board of Adjustment with a summary of the CAB’s discussion at the April 6, 2017 BOA meeting.

**Reviewing Agencies**

The following agencies received a copy of the project application for review and evaluation.

- Washoe County Community Services Department
  - Planning and Development Division
  - Planning and Development Division – Parks and Open Spaces
  - Engineering and Capital Projects Division – Land Development
  - Engineering and Capital Projects Division - Utilities
- Washoe County Health District
  - Environmental Health Services Division
  - Air Quality Management Division
- Truckee Meadows Fire Protection District
- Regional Transportation Commission
- Washoe Storey Conservation District

Two out of the nine above listed agencies/departments provided comments and/or recommended conditions of approval in response to their evaluation of the project application. A summary of each agency’s comments and/or recommended conditions of approval and their contact information is provided. The Conditions of Approval document is attached to this staff report and will be included with the Action Order if the special use permit is approved by the Board.

- **Washoe County Planning and Development Division** addressed permitting and operational conditions.
  
  **Contact:** Trevor Lloyd, 775.328.3620, tlloyd@washoecounty.us

- **Washoe County Health District Division** reviewed the project for Health District considerations.
  
  **Contact:** Wes Rubio, 775.328.2434, wrubio@washoecounty.us

**Staff Comment on Required Findings**

WCC Section 110.810.30 requires that all of the following findings be made to the satisfaction of the Washoe County Board of Adjustment before granting approval of the request. Staff has completed an analysis of the special use permit application and has determined that the proposal is in compliance with the required findings as follows:

1. **Consistency.** That the proposed use is consistent with the action programs, policies, standards and maps of the Master Plan and the Sun Valley Area Plan.

   **Staff Comment:** The proposed detached accessory dwelling unit does not violate any of the goals and policies of the Washoe County Master Plan or the Sun Valley Area Plan.
2. Improvements. That adequate utilities, roadway improvements, sanitation, water supply, drainage, and other necessary facilities have been provided, the proposed improvements are properly related to existing and proposed roadways, and an adequate public facilities determination has been made in accordance with Division Seven.

Staff Comment: The proposed detached accessory dwelling will connect to existing municipal water and sewer (Sun Valley General Improvement District), and electric and natural gas connections.

3. Site Suitability. That the site is physically suitable for a detached accessory dwelling, and for the intensity of such a development.

Staff Comment: The proposed detached accessory dwelling will be located on a relatively large residential property (.34 acres) which has adequate size and services to support a detached accessory dwelling.

4. Issuance Not Detrimental. That issuance of the permit will not be significantly detrimental to the public health, safety or welfare; injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area.

Staff Comment: The low intensity of use together with the proposed location meeting all setbacks and the exterior design will ensure that the proposed detached accessory dwelling does not result in a significant detriment to the public health, safety or welfare.

5. Effect on a Military Installation. Issuance of the permit will not have a detrimental effect on the location, purpose or mission of the military installation.

Staff Comment: There are no military installations within 3,000 feet of the development or use, therefore the use in not detrimental to location, purpose or mission of any military installation.

Recommendation

Those agencies which reviewed the application either recommended conditions in support of approval of the project or provided no comments. Therefore, after a thorough analysis and review, Special Use Permit Case Number WSUP17-0002 is being recommended for approval with conditions. Staff offers the following motion for the Board’s consideration.

Motion

I move that, after giving reasoned consideration to the information contained in the staff report and information received during the public hearing, the Washoe County Board of Adjustment approve Special Use Permit Case Number WSUP17-0002 for Carmelo Barajas-Ceja, with the conditions of approval included as Exhibit A to this matter, having made all five findings in accordance with Washoe County Code Section 110.810.30:

1. Consistency. That the proposed use is consistent with the action programs, policies, standards and maps of the Master Plan and the Sun Valley Area Plan;

2. Improvements. That adequate utilities, roadway improvements, sanitation, water supply, drainage, and other necessary facilities have been provided, the proposed improvements are properly related to existing and proposed
roadways, and an adequate public facilities determination has been made in accordance with Division Seven;

3. **Site Suitability.** That the site is physically suitable for a detached accessory dwelling, and for the intensity of such a development;

4. **Issuance Not Detrimental.** That issuance of the permit will not be significantly detrimental to the public health, safety or welfare; injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area;

5. **Effect on a Military Installation.** Issuance of the permit will not have a detrimental effect on the location, purpose or mission of the military installation.

**Appeal Process**

Board of Adjustment action will be effective 10 calendar days after the written decision is filed with the Secretary to the Board of Adjustment and mailed to the applicant, unless the action is appealed to the Washoe County Board of County Commissioners, in which case the outcome of the appeal shall be determined by the Washoe County Board of County Commissioners. Any appeal must be filed in writing with the Planning and Development Division within 10 calendar days after the written decision is filed with the Secretary to the Board of Adjustment and mailed to the applicant.

Conditions of Approval
Special Use Permit Case Number WSUP17-0002

The project approved under Special Use Permit Case Number WSUP17-0002 shall be carried out in accordance with the Conditions of Approval granted by the Board of Adjustment on April 6, 2017. Conditions of Approval are requirements placed on a permit or development by each reviewing agency. These Conditions of Approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the approval of this Special Use Permit shall be met or financial assurance must be provided to satisfy the Conditions of Approval prior to issuance of a grading or building permit. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Planning and Development Division.

Compliance with the Conditions of Approval related to this Special Use Permit is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. Failure to comply with any of the conditions imposed in the approval of the Special Use Permit may result in the initiation of revocation procedures.

Washoe County reserves the right to review and revise the Conditions of Approval related to this Special Use Permit should it be determined that a subsequent license or permit issued by Washoe County violates the intent of this approval.

For the purpose of conditions imposed by Washoe County, “may” is permissive and “shall” or “must” is mandatory.

Conditions of Approval are usually complied with at different stages of the proposed project. Those stages are typically:

- Prior to permit issuance (i.e., grading permits, building permits, etc.).
- Prior to obtaining a final inspection and/or a certificate of occupancy.
- Prior to the issuance of a business license or other permits/licenses.
- Some “Conditions of Approval” are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project or business.

FOLLOWING ARE CONDITIONS OF APPROVAL REQUIRED BY THE REVIEWING AGENCIES. EACH CONDITION MUST BE MET TO THE SATISFACTION OF THE ISSUING AGENCY.
Washoe County Planning and Development Division

1. The following conditions are requirements of the Planning and Development Division, which shall be responsible for determining compliance with these conditions.

   Contact Name – Trevor Lloyd, 775.328.3620, tlloyd@washoecounty.us

   a. The applicant shall demonstrate substantial conformance to the plans approved as part of this special use permit.

   b. The applicant shall submit complete construction plans and building permits shall be issued within two years from the date of approval by Washoe County. The applicant shall complete construction within the time specified by the building permits.

   c. The applicant shall attach a copy of the action order approving this project to all administrative permit applications (including building permits) applied for as part of this administrative permit.

The following Operational Conditions shall be required for the life of the project:

d. This special use permit shall remain in effect until or unless it is revoked or is inactive for one year.

e. Failure to comply with the Conditions of Approval shall render this approval null and void. Compliance with this condition shall be determined by the Planning and Development Division.

f. The applicant and any successors shall direct any potential purchaser/operator of the site and/or the special use permit to meet with the Planning and Development Division to review Conditions of Approval prior to the final sale of the site and/or the special use permit. Any subsequent purchaser/operator of the site and/or the special use permit shall notify the Planning and Development Division of the name, address, telephone number, and contact person of the new purchaser/operator
