**Administrative Permit Definition**

The purpose of an administrative permit is to provide a method of review for a proposed use which possess characteristics that requires a thorough appraisal in order to determine if the use has the potential to adversely affect other land uses, transportation or facilities in the vicinity. The Board of Adjustment or the Hearing Examiner may require conditions of approval necessary to eliminate, mitigate, or minimize to an acceptable level any potentially adverse effects of a use, or to specify the terms under which commencement and operation of the use must comply. Prior to approving an application for an administrative permit, the Board of Adjustment must find that all of the required findings, if applicable, are true.

The Conditions of Approval for Administrative Permit Case Number WADMIN19-0009 is attached to this staff report and will be included with the Action Order.

The subject property is designated as Public and Semi-Public Facilities (PSP). The proposed activity, an outdoor community event, is permitted in all regulatory zones subject to approval of an administrative permit in accordance with WCC Section 110.808.00 thru 110.808.65 and Section 110.310.20. Therefore, the applicant is seeking approval of this administrative permit from the Board of Adjustment.
**Project Evaluation**

Classical Tahoe is a series of outdoor concert events being held under a tent erected on the Sierra Nevada College property located in Incline Village. The tent is proposed to be set up in the area between the Primm Library and Patterson Hall, the tent will require building permit review. There are residential dwellings to both the east (Country Club Villas) and west (Tahoe Racquet Club) of the college property. The concert tent will be located approximately 500 feet from any of the residential structures. Washoe County has been licensing this event since 2012, and issuing Administrative Permits since 2016.

Concerts are proposed to be held on July 25, 26, 27, 28, 30, 31, and August 2, 3, 4, 6, 7, 9, 10 and 11, 2019.

The proposed outdoor concerts will be held between the hours of 5:00 p.m. and 9:00 p.m. on each event day. All proposed concerts will be unamplified classical music located within a portable tent erected on the College campus for the event. The only amplified sound with be that of the announcer. Primary participant and spectator parking will be within the College campus with additional off-site (overflow) parking at the Incline Village General Improvement District (IVGID) Recreation Facility, if needed. Event organizers estimate that approximately 1,300 participants and spectators will take part in the concert event during any one three-day event period, with a maximum of 500 participants and spectators on any one day of the event.

The applicant is also proposing a supplemental movie night which will be held on August 4, 2019. The proposed movie to be played is Mamma Mia! The proposed movie night is a significant drop off from last years, seven proposed movie nights.

There are three parking lots on the Sierra Nevada Campus which provide 238 parking spaces. The applicant cites an agreement with the Incline Village General Improvement District (IVGID) to utilize the nearby recreation center parking facility for any overflow parking, should the need occur. However, similar arrangements made in previous years for this concert series proved unnecessary. The event organizers will provide staff who will assist in directing overflow parking to the appropriate places.

Fees are assessed as part of the event, the orchestra events prices range from $25 to $125; chamber orchestra prices are $35, and the Family Concert is $2 for adults and $1 for children. The movie night is $10 for adults and $5 for children.

Food and beverages will be provided by private companies, and sold, before and during the concerts. The catering tent will be set up near the stairs to the parking lot closest to Country Club Drive (east of Primm Library). The area where the caterer will set up is several feet below the parking lot. Historically, Classical Tahoe has had three catering providers, Incline Spirits (wine, beer, water); Sunshine Deli; and SNC Catering.

Classical Tahoe Volunteers and Waste Management will be responsible for clean-up and rubbish removal. IVGID is providing Classical Tahoe with two lockable trash containers with scheduled pick up. The total cost of Waste Management for 2018 was $103.33; and the 2019 cost is estimated to be the same. The restroom facilities in the campus buildings will be open for use by the concert attendees. Sierra Nevada College security staff will be on site during the concert.
Incline Village/Crystal Bay Citizen Advisory Board (IV/CB CAB)

The proposed project was heard at the regularly scheduled May 6, 2019 Incline Village/Crystal Bay Citizens Advisory Board meeting.

The board recommended unanimous approval without criticism.

**Staff Comment on Required Findings**

WCC 110.808.25 requires that all the following findings be made to the satisfaction of the Washoe County Board of Adjustment before granting approval of the administrative permit request. Staff has completed an analysis of the application and has determined that the proposal is in compliance with the required findings as follows.

1. **Consistency.** That the proposed use is consistent with the action programs, policies, standards and maps of the Master Plan and the Tahoe Area Plan.

   **Staff Comment:** The proposed outdoor community event, a series of outdoor concerts and supplemental movie nights to be conducted on the grounds of the Sierra Nevada College, is a permitted use with the approval of an administrative permit and business license. There are no programs, policies, maps, or standards in any of the relevant Washoe County Plans that are inconsistent with this use.

2. **Improvements.** That adequate utilities, roadway improvements, sanitation, water supply, drainage, and other necessary facilities have been provided, the proposed improvements are properly related to existing and proposed roadways, and an adequate public facilities determination has been made in accordance with Division Seven.

   **Staff Comment:** Electric, water utilities, and sanitation are provided by public utilities and agencies and are adequate; roadways are capable of serving the event. Staff is confident that the necessary facilities are in place or will be in place as the result of a condition for the duration of the event.

3. **Site Suitability.** That the site is physically suitable for an outdoor community event and for the intensity of such a development.

   **Staff Comment:** The proposed site is particularly suitable for this event. The lawn areas of Sierra Nevada College are capable of hosting the expected crowds and there is adequate room for the set-up of the necessary facilities and equipment. The successful use of this area last year, and the preceding years is an indication that the site is suitable for this event.

4. **Issuance Not Detrimental.** That issuance of the permit will not be significantly detrimental to the public health, safety or welfare; injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area.

   **Staff Comment:** The administrative permit review process ensures that all appropriate agencies have recommended the necessary conditions necessary for mitigation of any negative impact to the public health, safety, and welfare of the area, surrounding properties will not be unduly injured nor will the character of the surrounding area be
harmed. The conditions of approval impose noise controls (minimal amplification) and
hours of operation to assure minimum impact on surrounding properties, and no
surrounding property owners have responded to the notice sent to them objecting to the
event.

5. Effect on a Military Installation. Issuance of the permit will not have a detrimental effect
on the location, purpose or mission of the military installation.

   Staff Comment: There is no military installation within the required noticing distance for
   this application; therefore, this finding is not required to be made.

Recommendation

Those agencies which reviewed the application recommended conditions in support of approval
of the project. Therefore, after a thorough analysis and review, Administrative Permit Case
Number WADMIN19-0009 is being recommended for approval with conditions. Staff offers the
following motion for the Board’s consideration.

Motion

I move that, after giving reasoned consideration to the information contained in the staff report
and information received during the public hearing, the Board of Adjustment approve
Administrative Permit Case Number WADMIN19-0007 for Classical Tahoe, having made all five
findings in accordance with Washoe County Development Code Section 110.808.25:

1. Consistency. That the proposed use is consistent with the action programs, policies,
   standards and maps of the Master Plan and the Tahoe Area Plan;
2. Improvements. That adequate utilities, roadway improvements, sanitation, water supply,
   drainage, and other necessary facilities have been provided, the proposed
   improvements are properly related to existing and proposed roadways, and an adequate
   public facilities determination has been made in accordance with Division Seven;
3. Site Suitability. That the site is physically suitable for an outdoor community event and
   for the intensity of such a development;
4. Issuance Not Detrimental. That issuance of the permit will not be significantly
detrimental to the public health, safety or welfare; injurious to the property or
improvements of adjacent properties; or detrimental to the character of the surrounding
area;
5. Effect on a Military Installation. Issuance of the permit will not have a detrimental effect
on the location, purpose or mission of the military installation.

Appeal Process

Board of Adjustment action will be effective 10 calendar days after the written decision is filed
with the Secretary to the Board of Adjustment and mailed to the original applicant, unless the
action is appealed to the Washoe County Board of County Commissioners, in which case the
outcome of the appeal shall be determined by the Washoe County Board of County
Commissioners. Any appeal must be filed in writing with the Planning and Building Division

Conditions of Approval
Administrative Permit Case Number WADMIN19-0009

The project approved under Administrative Permit Case Number WADMIN-19-0009 shall be carried out in accordance with the Conditions of Approval granted by the Board of Adjustment on June 6, 2019. Conditions of Approval are requirements placed on a permit or development by each reviewing agency. These Conditions of Approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the approval of this Administrative Permit shall be met or financial assurance must be provided to satisfy the conditions of approval prior to issuance of a grading or building permit. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Planning and Building Division.

Compliance with the conditions of approval related to this Administrative Permit is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. Failure to comply with any of the conditions imposed in the approval of the Administrative Permit may result in the initiation of revocation procedures.

Operational Conditions are subject to review by the Planning and Building Division prior to the renewal of a business license each year. Failure to adhere to the Operational Conditions may result in the Planning and Building Division recommending that the business license not be renewed until conditions are complied with to the satisfaction of Washoe County.

Washoe County reserves the right to review and revise the conditions of approval related to this Administrative Permit should it be determined that a subsequent license or permit issued by Washoe County violates the intent of this approval.

For the purpose of conditions imposed by Washoe County, “may” is permissive and “shall” or “must” is mandatory.

Conditions of Approval are usually complied with at different stages of the proposed project. Those stages are typically:

- Prior to permit issuance (i.e., grading permits, building permits, etc.).
- Prior to obtaining a final inspection and/or a certificate of occupancy.
- Prior to the issuance of a business license or other permits/licenses.
- Some “Conditions of Approval” are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project or business.
FOLLOWING ARE CONDITIONS OF APPROVAL REQUIRED BY THE REVIEWING AGENCIES. EACH CONDITION MUST BE MET TO THE SATISFACTION OF THE ISSUING AGENCY.

Pursuant to Washoe County Code section 25.303, any applicant for a Washoe County outdoor community event license must ensure the following requirements are met to the satisfaction of the Washoe County Risk Management Division before the outdoor community event license may be issued.

INDEMNIFICATION & HOLD HARMLESS

As respects acts, errors or omissions relating to the event, APPLICANT agrees to indemnify and hold harmless COUNTY, its officers, agents, employees, and volunteers from and against any and all claims, demands, defense costs, liability or consequential damages of any kind or nature arising directly or indirectly out of the event or any activity leading up to, during, or following the event, excepting those which arise out of the sole negligence of the COUNTY.

APPLICANT further agrees to defend COUNTY and assume all costs, expenses and liabilities of any nature to which COUNTY may be subjected as a result of any claim, demand, action or cause of action arising out of the negligent acts, errors or omissions of APPLICANT or its agents concerning the event.

INSURANCE REQUIREMENTS

COUNTY requires that APPLICANT purchase General Liability Insurance as described below against claims for injuries to persons or damages to property which may arise from or in connection with the event by APPLICANT, its agents, representatives, or employees. The cost of all such insurance shall be borne by APPLICANT.

APPLICANT shall maintain coverage and limits no less than $1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, the general aggregate limit shall be increased to equal twice the required occurrence limit, to apply separately to this event.

Any deductibles or self-insured retentions must be declared to and approved by the COUNTY Risk Management Division prior to the event. COUNTY reserves the right to request additional documentation, financial or otherwise prior to giving its approval of the deductibles and self-insured retention and prior to issuing the license. The COUNTY Risk Manager prior to the change taking effect must approve any changes to the deductibles or self-insured retentions.

APPLICANT shall provide COUNTY with a certificate of insurance that identifies COUNTY, its officers, agents, employees and volunteers as additional insured’s.

NOTE: A certificate of insurance complying with the provisions stated above is not required with the outdoor community business license application, but must be furnished prior to the issuance of the license.

I hereby agree to the all of the provisions stated above:
