Administrative Permit Definition

The purpose of an administrative permit is to provide a method of review for a proposed use which possess characteristics that requires a thorough appraisal in order to determine if the use has the potential to adversely affect other land uses, transportation or facilities in the vicinity. The Board of Adjustment or the Hearing Examiner may require conditions of approval necessary to eliminate, mitigate, or minimize to an acceptable level any potentially adverse effects of a use, or to specify the terms under which commencement and operation of the use must comply. Prior to approving an application for an administrative permit, the Board of Adjustment must find that all of the required findings, if applicable, are true.

The conditions of approval for Administrative Permit Case Number WADMIN19-0015 are attached to this staff report and will be included with the action order, if approved.

The subject property is designated as Low Density Suburban (LDS) and General Rural (GR). Based on the applicant’s estimated maximum number of attendees on any one day of the event (600-650), the event qualifies as an “outdoor community event” under WCC Section 25.272, which is allowed in the LDS and GR regulatory zone but requires an administrative permit under WCC Section 110.310.20. The applicant is therefore seeking approval of the administrative permit for the proposed outdoor community event. The approval of the administrative permit will also include approval of the associated outdoor community event business license.

Site Plan

Project Evaluation

The Children’s Cabinet is proposing to host a one-day fundraising event at the Montreux Golf Course, on the third practice green. The estimated attendance is 600-650 participants. Prior to the event, sponsorships and tables will be sold and tickets for the event will be available online or at the event and vary in price from $25 to $350 for an individual ticket. This is a private event and is not open to the general public. Montreux is a gated community and all guests, volunteers, and staff will have to enter though the main gate.
Set-up will be on Wednesday, August 21st through Friday, August 24, 2019, between the hours of 7:00 a.m. and 8:00 p.m. The event will be held on Friday, August 23, 2019, from 4:00 p.m. to 9:00 p.m. Clean-up of the site will be on August 24th, with the site returned to pre-event conditions.

Roundabout Catering will prepare the food off site and serve the food under two 40 x 120 wall-less tents. There will be a cocktail area outside of the tents. Camelot Party Rentals will provide the tents, fire extinguishers, signage, tables, chairs, linens, and other needed items. QuickSpace will provide the restroom facilities and handwashing station. Other vendors include Giraffe for decorations and the Peppermill for audio visual components and lighting. The event will include amplified sound and outdoor lighting during the event between the hours of 4:00 p.m. and 9:00 p.m.

Parking will be at the Montreux Club House and on the south side of De Chardin Lane; Montreux will inform the residents of the event and the parking plan. A golf cart valet will be available for guests from the clubhouse parking lot to the event site. The vacant parcel next to the practice green is in private ownership and no parking will be allowed on this property without the owner’s written permission.

The applicant has contacted Truckee Meadow Fire Protection District to inspect the site; volunteers for the event will be informed of the evacuation plan; and the event is a non-smoking event. Due to the minimal size of the event, emergency medical services and sheriff’s office do not require any conditions of approval.

**South Truckee Meadows/Washoe Valley Citizen Advisory Board (STM/WV CAB)**

The STM/WV CAB reviewed the application for the Art of Childhood temporary event on July 11, 2019. There were no public comments and the CAB had no specific comments and voted to approve the event. At the due date of the staff report the CAB minutes were not available; however the minutes will be posted on the County website before the Board of Adjustment meeting on August 1st.

**Reviewing Agencies**

The following agencies received a copy of the project application for review and evaluation.

- Washoe County Community Services Department
  - Planning and Development Division
  - Engineering and Capital Projects Division
- Washoe County Health District
  - Environmental Health Services Division
- Washoe County Risk Management
- Washoe County Sheriff
- Truckee Meadows Fire Protection District

Agencies/departments provided comments and/or recommended conditions of approval in response to their evaluation of the project application (see Exhibits A & C).

**Staff Comment on Required Findings**

WCC 110.808.25 requires that all of the following findings be made to the satisfaction of the Washoe County Board of Adjustment before granting approval of the administrative permit request. Staff has completed an analysis of the application and has determined that the proposal is in compliance with the required findings as follows.
1. **Consistency.** That the proposed use is consistent with the action programs, policies, standards and maps of the Master Plan and the Forest Area Plan.

   **Staff Comment:** There are no policies or action programs that prohibit the approval of a temporary one-day event of this nature in the Forest Area Plan.

2. **Improvements.** That adequate utilities, roadway improvements, sanitation, water supply, drainage, and other necessary facilities have been provided, the proposed improvements are properly related to existing and proposed roadways, and an adequate public facilities determination has been made in accordance with Division Seven.

   **Staff Comment:** The applicant has addressed the applicable requirements for providing sanitation, and parking for the temporary one-day event.

3. **Site Suitability.** That the site is physically suitable for pancake breakfast within a temporary tent structure located on the beach adjacent to Lake Tahoe and for the intensity of such a development.

   **Staff Comment:** The event has been held at this location on previous occasions, and temporary improvements have been planned to make the site suitable for the temporary one-day event.

4. **Issuance Not Detrimental.** That issuance of the permit will not be significantly detrimental to the public health, safety or welfare; injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area.

   **Staff Comment:** Impacts associated with the event are of limited impact and duration as this is a temporary, one-day, event. Therefore, there will be no significant impact to the public health, safety or welfare; the event is unlikely to be injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area.

5. **Effect on a Military Installation.** Issuance of the permit will not have a detrimental effect on the location, purpose or mission of the military installation.

   **Staff Comment:** There is no military installation in the area that is required to be noticed for this Administrative Permit; therefore this finding does not need to be made.

**Recommendation**

Those agencies which reviewed the application recommended conditions in support of approval of the project. Therefore, after a thorough analysis and review, Administrative Permit Case Number WADMIN19-0015 is being recommended for approval with conditions.

**Motion**

I move that, after giving reasoned consideration to the information contained in the staff report and information received during the public hearing, the Board of Adjustment approve, subject to the conditions contained as Exhibit A in the staff report, Administrative Permit Case Number WADMIN19-0015 for Children’s Cabinet, an administrative permit under WCC Section 110.310.20 and authorize the Director of the Planning and Development Division to issue an outdoor community event business license pursuant to WCC 25.272 when all pre-event conditions have been completed.

1. **Consistency.** That the proposed use is consistent with the action programs, policies, standards and maps of the Master Plan and the Forest Area Plan;

2. **Improvements.** That adequate utilities, roadway improvements, sanitation, water supply, drainage, and other necessary facilities have been provided, the proposed
improvements are properly related to existing and proposed roadways, and an adequate public facilities determination has been made in accordance with Division Seven;

3. **Site Suitability.** That the site is physically suitable for the proposed event and for the intensity of such an event;

4. **Issuance Not Detrimental.** That issuance of the permit will not be significantly detrimental to the public health, safety or welfare; injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area;

5. **Effect on a Military Installation.** Issuance of the permit will not have a detrimental effect on the location, purpose or mission of the military installation.

**Appeal Process**

Board of Adjustment action will be effective 10 calendar days after the written decision is filed with the Secretary to the Board of Adjustment and mailed to the original applicant, unless the action is appealed to the Washoe County Board of County Commissioners, in which case the outcome of the appeal shall be determined by the Washoe County Board of County Commissioners. Any appeal must be filed in writing with the Planning and Building Division within 10 calendar days from the date the written decision is filed with the Secretary to the Board of Adjustment and mailed to the original applicant.

Conditions of Approval
Administrative Permit Case Number WADMIN19-0015

The project approved under Administrative Permit Case Number WADMIN19-0015 shall be carried out in accordance with the Conditions of Approval granted by the Board of Adjustment/ on August 1, 2019. Conditions of approval are requirements placed on a permit or development by each reviewing agency. These conditions of approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the approval of this administrative permit shall be met or financial assurance must be provided to satisfy the conditions of approval prior to issuance of a grading or building permit. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Planning and Building Division.

Compliance with the conditions of approval related to this administrative permit is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. Failure to comply with any of the conditions imposed in the approval of the administrative permit may result in the initiation of revocation procedures.

Operational Conditions are subject to review by the Planning and Building Division prior to the renewal of a business license each year. Failure to adhere to the operational conditions may result in the Planning and Building Division recommending that the business license not be renewed until conditions are complied with to the satisfaction of Washoe County.

Washoe County reserves the right to review and revise the conditions of approval related to this Administrative Permit should it be determined that a subsequent license or permit issued by Washoe County violates the intent of this approval.

For the purpose of conditions imposed by Washoe County, “may” is permissive and “shall” or “must” is mandatory.

Conditions of approval are usually complied with at different stages of the proposed project. Those stages are typically:

- Prior to permit issuance (i.e., grading permits, building permits, etc.).
- Prior to obtaining a final inspection and/or a certificate of occupancy.
- Prior to the issuance of a business license or other permits/licenses.
- Some “Conditions of Approval” are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project or business.

The Washoe County Commission oversees many of the reviewing agencies/departments with the exception of the following agencies:
• The DISTRICT BOARD OF HEALTH, through the Washoe County Health District, has jurisdiction over all public health matters in the Health District. Any conditions set by the Health District must be appealed to the District Board of Health.

his duties. As used herein, the term "Expenses" shall include
all obligations incurred by such person for the payment of money,

A judgment or conviction (whether based on a plea of guilty or nolo contendere or its equivalent, or after trial) shall not of itself be deemed an adjudication that such Trustee, officer or employee is liable to the Corporation or such other corporation for negligence or misconduct in the performance of his duties. (d) Order of any court having jurisdiction over the Corporation.

Such right of indemnification shall not be exclusive of any other right with such Trustees, officers and employees of the Corporation, and the other person above-mentioned, may have or
hereafter acquire and, without limiting the generality of such statement, they shall be entitled to their respective rights of indemnification under any bylaw, vote of the members, provision of law, or otherwise, as well as their rights under this Article. The provisions of this Article shall apply to any member of any committee appointed by the Trustees as fully as though such person had been a Trustee, officer or employee of the Corporation.

2. **Additional Action of Trustees.** Without limiting the application of the foregoing, the Trustees may adopt Bylaws from time to time with respect to indemnification permitted by the laws of the State of Nevada and may cause the Corporation to purchase and maintain insurance on behalf of any person who is or was a Trustee or officer of the Corporation, or is or was serving at the request of the Corporation as a Trustee or officer of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise against any liability asserted against such person incurred in any such capacity or arising out of such status, whether or not the Corporation would have the power to indemnify such person.

**EIGHTH:** Upon the dissolution of the Corporation, the Board of Trustees shall, after paying or making provisions for the payment of all of the liabilities of the Corporation, distribute all of the assets of the Corporation exclusively for charitable and educational purposes to the organization or organizations specified in Article THIRD, or substituted therefor, which are then qualified organizations. In the event
there are none, the assets of the Corporation shall be distributed in such a manner and to such qualified organizations as the Board of Trustees shall determine. Any of such assets not so distributed shall be distributed by the court of competent jurisdiction of the county in which the principal office of the Corporation is then located, exclusively for the aforesaid purposes of the Corporation or to such qualified organization or organizations as said court shall determine.
