Items for Possible Action. All numbered or lettered items on this agenda are hereby designated for possible action as if the words “for possible action” were written next to each item (NRS 241.020), except for items marked with an asterisk (*). Those items marked with an asterisk (*) may be discussed but action will not be taken on them.

Possible Changes to Agenda Order and Timing. Discussion may be delayed on any item on this agenda, and items on this agenda may be taken out of order, combined with other items and discussed or voted on as a block, removed from the agenda, moved to the agenda of another later meeting or moved to or from the consent section. Items designated for a specified time will not be heard before that time, but may be delayed beyond the specified time.

Public Comment; Disrupting of Meeting. During the “Public Comment” periods listed below, anyone may speak pertaining to any matter either on or off the agenda. Public comment during these periods is limited to three minutes. Additionally, during action items (those not marked with an asterisk), public comment will be heard on that particular item before action is taken. See “Public Participation,” below, for time limits. In either event, each speaker must fill out a “Request to Speak” form and give it to the Recording Secretary. Unused time may not be reserved or transferred. Comments are to be directed to the Committee as a whole and not to one individual. The Chair may (with or without advance warning) order the removal of a person whose conduct willfully disrupts the meeting to the extent that its orderly conduct is made impractical.

Public Participation. At least one copy of items displayed and at least seven copies of any written or graphic material for the Committee’s consideration should be provided to the Recording Secretary. Subject to applicable law, public comment or testimony may be submitted to the Review Committee in written form for its consideration. However, the Committee is not required to read written statements aloud during the meeting.
Time allocations for public hearing items are as follows: fifteen minutes for staff’s presentation; fifteen minutes for an applicant’s presentation; five minutes for a group representative’s comments; three minutes for individual comment. At the discretion of the Chair, additional time may be provided to any party if the request is made at least 24 hours in advance of the meeting start time. The Chair may reduce the per person time allotment for comment on a particular item; this determination will be made prior to hearing comment on the item.
