   and

   B. Parcel Map Case Number PM15-012 (Steidley and Levie REVISED) – Hearing, discussion, and possible approval of a second parcel map, in a series, to divide a 20 acre property into four parcels of 5 acres each.
Grace Sannazzaro opened public hearing items 7A and 7B. Roger Pelham noted he believes the applicant would be asking for a continuance of those items to the November 12, 2015 meeting due to revisions in the lot access configurations.

Melissa Lindell, with Wood Rogers, the applicant’s representative, submitted a map with access changes and is asking for a continuance to the November meeting. She would like a condition added that there will be no access off Chance Lane, parcel 1-C would only have one access off the private drive and there will be only one access from Rhodes Road to parcel 1-B.

Ms. Sannazzaro opened public comment.

Lisa and John Crum live to the east of parcel 1-A and are concerned, when a home is built on the property, that headlights from the driveway may light up their house as the area is so dark. Mr. Crum asked if the roads were going to be gravel based.

Ms. Sannazzaro closed public comment.

DDA Large suggested no conversation regarding any of the features until the next meeting.

Mr. Gump moved to re-notice the public hearing and continue cases PM15-011 and PM15-012 to the November 12, 2015 Parcel Map Review Committee meeting. Mr. Cella seconded the motion which carried unanimously.

C. Parcel Map Case Number PM15-014 (Spanish Springs Associates) – Hearing, discussion, and possible action to approve a parcel map dividing a ±74.68 acre parcel, contingent upon recordation of a Boundary Line Adjustment (BL15-013) between parcels 532-020-17 and 532-020-18, which will create two parcels consisting of ±37.47 acres (Parcel 1) and ±37.22 acres (Parcel 2).

• E-Mail: gsannazzaro@washoecounty.us

Ms. Sannazzaro opened the public hearing and reviewed her staff report dated September 28, 2015.

Kimble Corbridge asked that the Engineer show all the FEMA flood zones on the parcel map. George Fong, C & M Engineering, said it is all zone X.

Mr. Fong asked if the notes #6 and #12 on the maps will address conditions of approval #2 and #3. Mr. Cella said yes, but he will check with Vahid Behmaram.

With no response to the call for public comment, the public comment period was closed.

James Barnes moved that, after giving reasoned consideration to the information contained within the staff report and the information received during the public meeting, that the Washoe County Parcel Map Review Committee approve Parcel Map Case Number PM15-014 for Spanish Springs Associates, which has determined that the following criteria is or will be adequately provided for pursuant to Washoe County Development Code, Section 110.606.30. Amy Ray seconded the motion which carried unanimously.

The motion carried and considered the following criteria:

1. General improvement considerations for all parcel maps including, but not limited to:
   a. Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal;
   b. The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the subdivision;
   c. The availability and accessibility of utilities;
   d. The availability and accessibility of public services such as schools, police and fire protection, transportation, recreation and parks;
   e. Conformity with the zoning ordinances and master plan;
   f. General conformity with the governing body’s master plan of streets and highways;
g. The effect of the proposed subdivision on existing public streets and the need for new streets or highways to serve the subdivision;

h. Physical characteristics of the land such as floodplain, slope and soil;

i. The recommendations and comments of those entities reviewing the tentative parcel map pursuant to NRS 278.330 and 278.348, inclusive;

j. The availability and accessibility of fire protection including, but not limited to, the availability and accessibility of water and services for the prevention and containment of fires including fires in wild lands;

k. Community antenna television (CATV) conduit and pull wire; and

l. Recreation and trail easements.
