Eric Young opened the public hearing. Julee Olander reviewed her staff report dated October 18, 2017.

Ms. Olander requested an additional condition be added; if there are existing structures on the new parcels, they are required to meet MDS setbacks which are 20-feet in the front and rear and 8-feet on the side yards.

Walt West added standard conditions for Engineering:
a. Comply with the conditions of the Washoe County technical check for this map.
b. Add a Security Interest Holder’s Certificate to the map, if applicable.

With no response to the call for public comment, the public comment period was closed.

Larry Chesney moved that, after giving reasoned consideration to the information contained in the staff report and information received during the public hearing, the Washoe County Parcel Map Review Committee approve Parcel Map Case Number WTPM17-0014 for SF & WW Eccles, LLC, subject to the conditions of approval included as Exhibit A with the staff report along with the additional conditions requested, and makes the determination that the following criteria is or will be adequately provided for pursuant to Washoe County Code Section 110.606.30. Wes Rubio seconded the motion which carried unanimously.

The motion carried and considered the following criteria:

1) General improvement considerations for all parcel maps including, but not limited to:
   a) Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal;
   b) The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the subdivision;
   c) The availability and accessibility of utilities;
   d) The availability and accessibility of public services such as schools, police and fire protection, transportation, recreation and parks;
   e) Conformity with the zoning ordinances and master plan;
   f) General conformity with the governing body’s master plan of streets and highways;
   g) The effect of the proposed subdivision on existing public streets and the need for new streets or highways to serve the subdivision;
   h) Physical characteristics of the land such as floodplain, slope and soil;
   i) The recommendations and comments of those entities reviewing the tentative parcel map pursuant to NRS 278.330 and 278.348, inclusive;
   j) The availability and accessibility of fire protection including, but not limited to, the availability and accessibility of water and services for the prevention and containment of fires including fires in wild lands;
   k) Community antenna television (CATV) conduit and pull wire; and
   l) Recreation and trail easements.

B. Tentative Parcel Map Case WTPM17-0016 (Gerlach GID) – For possible action, hearing, and discussion to approve a tentative parcel map for the Gerlach General Improvement District to allow the subdivision of an 18.96 acre parcel into 4 parcels. One of the parcels will be a large 17.99 acre remainder parcel and the other 3 parcels will meet the minimum lot size for the Medium Density Suburban regulatory zone (i.e. 13,834 sf, 13,394 sf, and 15,201 sf).

- Location: At the intersection of Diablo and Cottonwood Streets in Gerlach (across from the high school)
- APN: 071-240-14
- Parcel Size: 18.96
