Parcel Map

The purpose of a parcel map is to allow for the creation of subdivisions, merger and re-subdivision of existing lots, and common-interest communities consisting of four or fewer parcels pursuant to Washoe County Development Code Article 606, Parcel Maps. A tentative parcel map must be submitted to the Planning and Development Division for the purpose of review prior to or concurrent with the final parcel map. Every tentative parcel map must be prepared by a professional land surveyor. The parcel map process exists to establish reasonable standards of design and procedures for subdividing in order to further the orderly layout and use of land and insure proper legal descriptions and monumenting of subdivided land. Additionally, the process helps to safeguard the public health, safety and general welfare by establishing minimum standards of design and development for any land division platted in the unincorporated area of Washoe County. If the Washoe County Parcel Map Review Committee grants an approval of the tentative parcel map, that approval is subject to Conditions of Approval. Conditions of Approval are requirements that may need to be completed during different stages of the proposed project. Those stages are typically:

- Prior to recordation of a final map.
- Prior to obtaining a final inspection and/or a certificate of occupancy on a structure.
- Prior to the issuance of a business license or other permits/licenses.
- Some Conditions of Approval are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project.
- Within 22 months from the date of approval of the tentative parcel map, the applicant must file a final parcel map along with any required supporting materials with the Planning and Development Division and the County Engineer showing that all conditions imposed by the Washoe County Parcel Map Review Committee have been met. Approval or conditional approval of a tentative parcel map imposes no obligation on the part of the Director of Planning and Development Division or the Board of County Commissioners to approve the final parcel map or to accept any public dedication shown on the tentative or final parcel map. Failure to submit a complete final parcel map and pay the required fees within the two year time period shall cease any further action on the map and shall render the tentative parcel map as expired.

The Conditions of Approval for Tentative Parcel Map Case Number WTPM16-0006 is attached to this staff report and will be included with the Action Order.

The tentative parcel map meets all minimum requirements for the MDR regulatory zone.

**Development Suitability Constraints:** The South Valleys Area Plan Development Suitability Map, a part of the South Valleys Area Plan Area Plan, indicates that portions of the parcel are most suitable for development (i.e. slopes less than 15%, no wetlands, etc.) while other portions of the parcel contain slopes in excess of 15% and 30%.

**Hydrographic Basin:** The majority of the 65.58 acre subject parcel is within the Washoe Valley Hydrographic Basin. A small part (approximately 1.5 acres) of the northern portion of the parcel is within the Pleasant Valley Hydrographic Basin.

The subject parcel is outside the Truckee Meadows Service Area (TMSA) in the Rural Development Area (RDA).

**NOTE:** A series of parcel maps were previously approved on this subject parcel, but have since expired. The case numbers were PM08-009, PM08-010, PM08-011, and PM08-012.

**South Valleys Area Plan Modifiers**

The tentative parcel map is subject to the following South Valleys Area Plan Modifier:

**Section 110.210.05 Water Rights Dedication Requirements.**

(a) Washoe Valley Hydrographic Basin. Dedication of sufficient certificated water rights from the Washoe Valley Hydrographic Basin, or imported water rights from an adjoining hydrographic basin when a parcel is split by the Washoe Valley Hydrographic Basin, or "will serve" letters when served by a water purveyor, shall be provided for all development in the Washoe Valley Hydrographic Basin, including maps of division into large parcels, parcel maps, and subdivision maps, and new civic, commercial and industrial use types.

The tentative parcel map would create three new parcels. Therefore, the applicant will be required to dedicate two acre feet of certificated Washoe Valley Hydrographic Basin groundwater rights for each of the newly created parcels, resulting in a total dedication requirement of 6 acre feet. The applicant has not indicated they have obtained sufficient water rights to satisfy this requirement, but must do so prior to recordation of the final map (see also the Agency Comment Letter from Vahid Behmaram, Water Management Planner Coordinator in Exhibit B).
Development Information
The subject parcel is undeveloped with the exception of two existing dirt roads (one of which is the historic Ophir Road, a presumed public road).

**Staff Comment on Required Findings**

Washoe County Development Code Section 110.606.30 (i) of Article 606, Parcel Maps, requires that all of the following findings be made to the satisfaction of the Washoe County Parcel Map Review Committee before granting approval of the request. Staff has completed an analysis of the application and has determined that the proposal is in compliance with the required findings as follows.

1) General improvement considerations for all parcel maps including, but not limited to:

   a) Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal.

      **Staff Comment:** The proposed map has been reviewed by Health District and appropriate conditions of approval have been provided.

 b) The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the subdivision.

      **Staff Comment:** The resultant parcels will be served by individual domestic wells. The applicant is required to obtain and dedicate the water rights necessary for these wells prior to approval of the final map.

 c) The availability and accessibility of utilities.

      **Staff Comment:** Adequate utility infrastructure is available to the site.

 d) The availability and accessibility of public services such as schools, police and fire protection, transportation, recreation and parks.

Conditions of Approval
Parcel Map Case Number WTPM16-0006

The tentative parcel map approved under Parcel Map Case Number WTPM16-0006 shall be carried out in accordance with the Conditions of Approval granted by the Washoe County Parcel Map Review Committee on January 12, 2017. Conditions of Approval are requirements placed on a permit or development by each reviewing agency. These Conditions of Approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the approval of this tentative parcel map shall be met or financial assurance must be provided to satisfy the conditions of approval prior to the recordation of a final parcel map. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Planning and Development Division.

Compliance with the conditions of approval related to this tentative parcel map is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. Failure to comply with any of the conditions imposed in the approval of the tentative parcel map may result in the institution of revocation procedures.

Washoe County reserves the right to review and revise the Conditions of Approval related to this tentative parcel map should it be determined that a subsequent license or permit issued by Washoe County violates the intent of this approval.

For the purpose of conditions imposed by Washoe County, “may” is permissive and “shall” or “must” is mandatory.

Conditions of Approval are usually complied with at different stages of the proposed project. Those stages are typically:

- Prior to recordation of a final map.
- Prior to obtaining a final inspection and/or a certificate of occupancy.
- Prior to the issuance of a business license or other permits/licenses.
- Some “Conditions of Approval” are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project.

The Washoe County Commission oversees many of the reviewing agencies/departments with the exception of the following agencies.
• The DISTRICT BOARD OF HEALTH, through the Washoe County Health District, has jurisdiction over all public health matters in the Health District. Any conditions set by the Health District must be appealed to the District Board of Health.

• The RENO-TAHOE AIRPORT AUTHORITY is directed and governed by its own Board. Therefore, any conditions set by the Reno-Tahoe Airport Authority must be appealed to their Board of Trustees.

• The REGIONAL TRANSPORTATION COMMISSION (RTC) is directed and governed by its own Board. Conditions recommended by the RTC may be required, at the discretion of Washoe County.

• The NEVADA DEPARTMENT OF TRANSPORTATION (NDOT) is directed and governed by its own board. Therefore, any conditions set by the Nevada Department of Transportation must be appealed to that Board.

FROM: Vahid Behmaram, Water Management Planner Coordinator, CSD

SUBJECT: Parcel-Map Case Number WTPM16-0006 (Merchant-Eastlake) APN 050-210-22

Project description:

The applicant is proposing the division of a vacant 65.58 acre parcel into 4 parcels of 5.16 acres, 5.4 acres, 10.16 acres, and a remainder parcel of 44.86 acres. The property is located at the intersection of East Lake Blvd and Highway 395 in East Washoe Valley across from little Washoe Lake. Water will be provided by individual domestic wells, and sewage disposal will be by individual septic systems.

The Community Services Department (CSD) recommends approval of this project with the following Water Rights conditions:

1) The subject parcel is not near any municipal, quasi-municipal or private water delivery infrastructure; therefore, resulting parcels will rely on Individual Domestic wells as their source of domestic water supply.

2) Washoe County code requires that the applicant for a parcel map with parcels served by an individual domestic well, to bring forth an approved and recorded “Affidavit of Relinquishment for Domestic Wells” by the Nevada State Engineer’s office. The applicant shall complete the relinquishment process with the State Engineer’s office and record the approved form with the County Recorder’s office and submit a recorded copy to Washoe County as a pre-requisite to approval of their parcel map.

3) Washoe County retains the authority to impose its own review and reject water rights which do not comply with Washoe County code and area plans. Therefore, a preview of water rights intended to support the project (prior to relinquishment process) will be helpful for both the applicant and Washoe County staff.

4) The ground water rights subject to relinquishment MAY NOT be supplemental ground water which supplement primary surface water rights.

5) The amount of water rights necessary is 2.00 acre-feet of ground water rights per newly created parcel. The original parcel is deemed exempt from the relinquishment process. In the way of an example, if one parcel is subdivided into a total of 4, there are 3 newly created parcels and one existing or remains thereof.

Re: 'Lake & Mountain Views' Tentative Map

My recommendation for approval is that there is a single access onto East Lake Blvd and that a private access easement be created so that all 4 lots have one access point onto East Lake Blvd. The applicant should demonstrate that the access at East Lake Blvd has adequate sight distance.

No access should be allowed onto US Hwy 395.

Dear Mr. Giesinger:

The Washoe County Health District, Environmental Health Services Division (Division) Engineering has reviewed the above referenced project. Approval by this Division is subject to the following conditions:

1. Prior to signing the proposed Tentative Parcel Map, Test Trenches must be performed on all proposed parcels to demonstrate the suitability of on-site sewage disposal systems. The application can be downloaded from the link below:

2. Note that any future parcel maps or proposals to develop the remainder parcel of 40+ acres will require development with parcel of a minimum of 5 acres served by on-site sewage disposal, unless municipal sewer is available for the entire development.

RE: WTPM16-0006 (Merchant-Eastlake)

Dear Mr. Giesinger,

The Regional Transportation Commission (RTC) has reviewed this request to for the division of a vacant 65.58 acre parcel into 4 parcels of 5.16 acres, 5.4 acres, 10.16 acres, and a remainder parcel of 44.86 acres. The property is located at the intersection of East Lake Boulevard and Highway 395 in East Washoe Valley across from the little Washoe Lake.

The Regional Transportation Plan (RTP) identifies East Lake Boulevard as an arterial with moderate-access control. To maintain arterial capacity, the following RTP access management standards need to be adhered to:

<table>
<thead>
<tr>
<th>Access Management Class</th>
<th>Posted Speeds</th>
<th>Signals Per Mile and Spacinga</th>
<th>Median Type</th>
<th>Left From Major Street? (Spacing from signal)</th>
<th>Left From Minor Street or Driveway?</th>
<th>Right Decel Lanes at Driveways?</th>
<th>Driveway Spacingb</th>
</tr>
</thead>
<tbody>
<tr>
<td>Moderate Access Control</td>
<td>40-45 mph</td>
<td>3 or less Minimum spacing 1590 feet</td>
<td>Raised or painted wturn pockets</td>
<td>Yes 500 ft. minimum</td>
<td>No, on 6 or 8-lane roadways w/o signal</td>
<td>Yes4</td>
<td>200 ft./300 ft.</td>
</tr>
</tbody>
</table>

1. On-street parking shall not be allowed on any new arterials. Elimination of existing on-street parking shall be considered a priority for major and minor arterials operating at or below the policy level of service.
2. Minimum signal spacing is for planning purposes only; additional analysis must be made of proposed new signals in the context of planned signalized intersections, and other relevant factors impacting corridor level of service.
3. Minimum spacing from signalized intersections/superwide other driveways.
4. If there are more than 60 inbound, right-turn movements during the peak-hour.

The policy Level of Service (LOS) standard for East Lake Boulevard is LOS D. Policy LOS for intersections shall be designed to provide a level of service consistent with maintaining the policy level of service of the intersecting corridor. This project should be required to meet all the conditions necessary to complete road improvements to maintain policy LOS standards.

The RTP, the RTC Bicycle/Pedestrian Master Plan and the Nevada Department of Transportation Pedestrian Safety Action Plan all indicate that new development and re-development will be encouraged to construct

(e) To construct, operate, maintain, improve and to sell, convey, mortgage, pledge, assign or lease any real estate or personal property owned by the Company;

(d) To invest any Company funds temporarily (by way of example but not limitation) in time deposits, short-term governmental obligations, commercial paper, or other investments;

(e) Subject to Section 6.4, to sell or otherwise dispose of all or substantially all of the assets of the Company as part of a single transaction or plan so long as such disposition is not in violation of or a cause of a default under any other agreement to which the Company may be bound;

(f) To execute on behalf of the Company all instruments and documents,
including, without limitation: sales, construction and development agreements; checks; drafts; notes and other negotiable instruments; mortgages or deeds to secure debt; security agreements; financing statements; documents providing for the acquisition, mortgage, or disposition of the Company’s property; assignments; bills of sale; leases; partnership agreements, operating agreements of other limited liability companies; and any other instruments or documents necessary, in the opinion of the Managers, to the business of the Company;

(g) To employ accountants, legal counsel, managing agents, or other experts to perform services for the Company and to compensate them from Company funds;

(h) To enter into any and all other agreements on behalf of the Company, with any other Person for any purpose, in such forms as the Managers may approve;

(i) To create offices and designate Officers, who need not be Members; and

(j) To do and perform all other acts as may be necessary or appropriate to the conduct of the Company’s business.

Unless authorized to do so by a Manager of the Company, no attorney-in-fact, employee, or other agent of the Company shall have any power or authority to bind the Company in any way, to pledge its credit or to render it liable in any way or for any purpose. No Member shall have any power or authority to bind the Company unless the Member has been authorized by a Manager to act as an officer or agent of the Company in accordance with this Section 5.3.

5.4 Liability for Certain Acts. No Manager has guaranteed or shall have any obligation with respect to the return of a Member’s Capital Contributions or profits from the operation of the Company. Notwithstanding Section 14-11-305(1) of the Georgia Act, no Manager shall be liable to the Company or to any other Member for any loss or damage sustained by the Company or any Member except loss or damage resulting from intentional misconduct or knowing violation of law or a transaction for which such Manager received a personal benefit in violation or breach of the provisions of this Operating Agreement. Each Manager shall be entitled to rely on information, opinions, reports, or statements, including but not limited to, financial statements or other financial data prepared or presented by: (i) any one or more Members, Managers, Officers, or employees of the Company whom the Manager reasonably believes to be reliable and competent in the matter presented, (ii) legal counsel, public accountants, or other persons as to matters the Manager reasonably believes are within the person’s professional or expert competence, or (iii) a committee of Managers of which he is not a member if the Manager reasonably believes the committee merits confidence.

5.5 Managers Have No Exclusive Duty to Company. A Manager shall not be required to manage the Company as the Manager’s sole and exclusive function and the Manager may have other business interests and may engage in other activities in addition to those relating to the Company. Neither the Company nor any Member shall have any right, by virtue of this Operating Agreement, to share or participate in such other investments or activities of the Manager or to the income or proceeds derived therefrom. The Manager shall incur no liability to
the Company or to any of the Members as a result of engaging in any other business or ventures.

5.6 Bank Accounts. The Managers may from time to time open bank accounts in the name of the Company, and designated Officers shall be the sole signatories thereon, unless the Managers determine otherwise.

5.7 Indemnity of the Managers, Members and Officers. To the fullest extent permitted by Section 14-11-306 of the Georgia Act, the Company shall indemnify each Manager and Member and make advances for expenses to each Manager and Member arising from any loss, cost, expense, damage, claim, or demand in connection with the Company, the Manager’s or Member’s status as a Manager or Member of the Company, the Manager’s or Member’s participation in the management, business, and affairs of the Company or such Manager’s or Member’s activities on behalf of the Company. To the fullest extent permitted by Section 14-11-306 of the Georgia Act, the Company shall also indemnify its Officers who are not Managers or Members arising from any loss, cost, expense, damage, claim, or demand in connection with the Company, any such Officer’s participation in the business and affairs of the Company or such Officer’s activities on behalf of the Company.

5.8 Resignation. A Manager of the Company may resign at any time by giving written notice to the Members of the Company. The resignation of the Manager shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. The resignation of a Manager as a Manager shall not affect the Manager’s rights as a Member and shall not constitute a withdrawal of such Manager as a Member or an Event of Dissociation as to such Manager.

5.9 Removal. At a meeting called expressly for that purpose, all or any lesser number of Managers may be removed at any time, with or without cause, by the affirmative Majority Vote of the Members. The removal of a Manager as a Manager shall not affect the Manager’s rights as a Member and shall not constitute a withdrawal by such Manager as a Member or an Event of Dissociation as to such Manager.

5.10 Vacancies. Any vacancy occurring for any reason in the number of Managers of the Company may be filled by the affirmative vote of a majority of the remaining Managers then in office, provided that if there are no remaining Managers, the vacancy(ies) shall be filled by the affirmative Majority Vote of Members. Any Manager’s position to be filled by reason of an increase in the number of Managers shall be filled by the affirmative vote of a majority of the Managers then in office or by Majority Vote of the Members at a meeting of Members called for that purpose. A Manager elected to fill a vacancy or fill a position resulting from an increase in the number of Managers shall hold office until his successor shall be elected and shall qualify, or until his earlier death, resignation, or removal.

5.11 Salaries. The salaries and other compensation of the Manager shall be fixed from time to time by a Majority Vote of the Members, and no Manager shall be prevented from receiving such salary by reason of the fact that the Manager is also a Member of the Company.
ARTICLE VI. RIGHTS AND OBLIGATIONS OF MEMBERS

6.1 Limitation on Liability. Each Member’s liability shall be limited as set forth in the Georgia Act.

6.2 No Liability for Company Obligations. No Member will have any personal liability for any debts or losses of the Company.

6.3 List of Members. Upon written request of any Member, the Company shall provide a list showing the names, addresses, and Membership Interest and Economic Interest of all Members and the other information required by the Georgia Act and maintained pursuant to Section 11.2.

6.4 Approval of Members. The Members shall have the right, by the Majority Vote of the Members: (i) to approve in the manner required by Article XIV of the addition of new Members, or (ii) to approve the dissolution of the Company as provided in Section 14.1(a)(i) hereof, or (iii) to approve any amendment to this Operating Agreement, provided, however, that no such approval by the Members is required for amendments that are necessary in connection with any transfer of an Interest under Article XII hereof (after obtaining the Member approval required thereunder) or any issuance of additional Interests under Article XIII hereof (after obtaining the Member approval required thereunder). Except as otherwise provided in this Operating Agreement, the other actions identified in Section 14-11-308(b) of the Georgia Act may be taken by the Managers without any further consent or approval of the Members.

ARTICLE VII. MEETINGS OF MEMBERS

7.1 Meetings. Meetings of the Members, for any purpose or purposes, may only be called by the Managers or a Member or Members holding at least 50% of the Ownership Percentages.

7.2 Place of Meetings. The Persons calling any meeting may designate any place, either within or outside the State of Georgia, as the place of meeting for any meeting of the Members. If no designation is made the place of meeting shall be the principal executive office of the Company in the State of Georgia.

7.3 Notice of Meetings. Written notice stating the place, date, and hour of the meeting and the purpose or purposes for which the meeting is called shall be delivered not less than two (2) nor more than fifty (50) days before the date of the meeting, either personally or by mail, by or at the direction of the Managers or Person calling the meeting, to each Member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered two calendar days after being deposited in the United States mail, addressed to the Member at his address as it appears on the books of the Company, with postage thereon prepaid. Notice provided in accordance with this Section shall be effective notwithstanding anything in Section 14-11-311 of the Georgia Act to the contrary.
7.4 Meeting of all Members. If all of the Members shall meet at any time and place, either within or outside of the State of Georgia, and consent to the holding of a meeting at such time and place, such meeting shall be valid without call or notice, and at such meeting any lawful action may be taken.

7.5 Record Date. For the purpose of determining Members entitled to notice of or to vote at any meeting of Members or any adjournment thereof, or Members entitled to receive payment of any distribution, or in order to make a determination of Members for any other purpose, the date on which notice of the meeting is mailed or the date on which such distribution is made, as the case may be, shall be the record date for such determination of Members unless the Members shall otherwise specify another record date. When a determination of Members entitled to vote at any meeting of Members has been made as provided in this Article VII, such determination shall apply to any adjournment thereof.

7.6 Quorum. Members holding a Majority Interest, represented in person or by proxy, shall constitute a quorum at any meeting of Members. In the absence of a quorum at any such meeting, a majority of the Ownership Percentages of Members so represented may adjourn the meeting from time to time for a period not to exceed sixty (60) days without further notice. However, if at the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Member of record entitled to vote at the meeting. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal during such meeting of that number of Ownership Percentages of Members whose absence would cause less than a quorum to be present.

7.7 Manner of Acting. The affirmative vote of Members holding a Majority Interest shall be the act of the Members. Section 14-11-307 of the Georgia Act (relating to conflicting interest transactions) shall not apply in the case of the Company, and Members who have an interest (economic or otherwise) in the outcome of any particular matter upon which the Members vote or consent may vote or consent upon such matter and their Ownership Percentage, vote or consent, as the case may be, shall be counted in the determination of whether the requisite matter was approved by the Members.

7.8 Proxies. A Member may vote in person or by proxy executed in writing by the Member or by a duly authorized attorney-in-fact. Such written proxy shall be delivered to the Company.

7.9 Action by Members Without a Meeting. Action required or permitted to be taken by the Members at a meeting may be taken without a meeting if the action is evidenced by one or more written consents describing the action taken, signed by the Members entitled to vote and having the requisite Ownership Percentage of Members required to approve such action. Action taken under this Section is effective when the Members required to approve such action have signed the consent, unless the consent specifies a different effective date. The record date for determining Members entitled to take action without a meeting shall be the date the first Member
signs a written consent.

7.10 Waiver of Notice. In lieu of any procedures contained in Section 14-11-312 of the Georgia Act, when any notice is required to be given to any Member, a waiver thereof in writing signed by the person entitled to such notice, whether before, at or after the time stated therein, shall be equivalent to the giving of such notice.

7.11 Meeting by Telephone. In lieu of any procedures contained in Section 14-11-310(b)(3) of the Georgia Act, Members may also meet by conference telephone call if all Members can hear one another on such call and the requisite notice is given or waived.

ARTICLE VIII. CONTRIBUTIONS TO THE COMPANY AND CAPITAL ACCOUNTS

8.1 Members’ Capital Contributions. Each Member shall contribute the following amount next to such Member’s name (the “Member’s Initial Capital Contribution”):

- FINEWRAP USA, INC. $100.00
- JEFFREY HERMAN $50.00
- RT MERCHANT, LLC $50.00

8.2 Additional Contributions of Members. Except as set forth in Section 8.1 and this Section 8.2, no Member shall be required to make any Capital Contributions. To the extent unanimously approved by the Managers, from time to time, one or more Members may be permitted to make additional Capital Contributions if and to the extent such Members so desire, and if the Managers determine that such additional Capital Contributions are necessary or appropriate in connection with the conduct of the Company’s business (including without limitation, expansion or diversification). In such event, the Members shall have the opportunity (but not the obligation) to participate in such additional Capital Contributions on a prorata basis in accordance with their Ownership Percentages.

8.3 Loans to Company. To the extent approved by the Managers, Members may make a secured or unsecured loan to the Company.

ARTICLE IX. DISTRIBUTIONS TO MEMBERS

9.1 Distributions. Distributable Cash shall be distributed to the Members at such times as may be determined by the Managing Members, and shall be distributed to the Members in proportion to their respective Ownership Percentages at the time of the distribution; provided, that following the dissolution of the Company as provided in Section 14.1 hereof, distributions shall be made in accordance with Section 14.3 hereof.

9.2 Limitation Upon Distributions. No distribution shall be made to Members if
prohibited by Section 14-11-407 of the Georgia Act.

9.3 Interest On and Return of Capital Contributions. No Member shall be entitled to interest on his Capital Contribution or to a return of his Capital Contribution, except as otherwise specifically provided for herein.

9.4 Priority and Return of Capital. No Member or Economic Interest Owner shall have priority over any other Member or Economic Interest Owner, either as to the return of Capital Contributions or as to Net Profits, Net Losses, or distributions, except as otherwise specifically provided for herein. This Section shall not apply to loans (as distinguished from Capital Contributions) which a Member has made to the Company.

**ARTICLE X. ALLOCATION OF NET PROFITS AND NET LOSSES**

10.1. Net Profits shall be allocated for each Fiscal Year as follows:

(a) First, to the Members in an amount equal to the amount of Net Losses allocated to the Members under Section 10.2(b) below with respect to prior Fiscal Years, on a prorata basis based upon the total amount of such prior Net Losses allocated to each Member, until the amount of Net Profits allocated under this subparagraph (a) for such Fiscal Year and all prior Fiscal Years equals the total amount of such prior Net Losses allocated to all Members under Section 10.2(b) below;

(b) Second, to the Members in an amount equal to the amount of Net Losses allocated to the Members under Section 10.2(a) below with respect to prior Fiscal Years, on a prorata basis based upon the total amount of such prior Net Losses allocated to each Member, until the amount of Net Profits allocated under this subparagraph (b) for such Fiscal Year and all prior Fiscal Years equals the total amount of such prior Net Losses allocated to all Members under Section 10.2(a) below; and

(c) Third, to the Members on a prorata basis based upon their Ownership Percentages of Members as of the end of such Fiscal Year.

10.2. Net Losses shall be allocated for each Fiscal Year as follows:

(a) First, to the Members on a prorata basis based upon their respective Ownership Percentages of Members until their positive Capital Account balances are reduced to zero; and

(b) Second, to the Members on a prorata basis based upon their respective Ownership Percentages of Members.

10.3. Alternative Allocations. It is the intent of the Members that each Member’s distributive share of income, gain, loss, deduction, or credit (or item thereof) be determined and allocated consistently with the provisions of the Code, including Sections 704(b) and 704(c) of
the Code. If in connection with the issuance of the Interests or if for any other reason, the Managers deem it necessary in order to comply with the Code, the Managers may, and they hereby are, authorized and directed to allocate income, gain, loss, deduction, or credit (or items thereof) arising in any year differently than as provided for in this Article X if, and to the extent, (i) that allocating income, gain, loss, deduction, or credit (or item thereof) would cause the determinations and allocations of each Member’s distributive share of income, gain, loss, deduction, or credit (or item thereof) not to be permitted by the Code and any Treasury Regulations promulgated thereunder, or (ii) inconsistent with a Member’s Interest in the Company taking into consideration all facts and circumstances. Any allocation made pursuant to this Section 10.3 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Agreement and no further amendment of this Agreement or approval by any Member shall be required to effectuate such allocation. In making such allocations under this Section 10.3 (“New Allocations”), the Managers are authorized to act in reliance upon advice of counsel to the Company or the Company’s regular certified public accountants that, in their opinions after examining the relevant provisions of the Code and any current or future proposed or final Treasury Regulations thereunder, the New Allocation is necessary in order to ensure that, in either the then current year or in any preceding year, each Member’s distributive share of income, gain, loss, deduction, or credit (or items thereof) is determined and allocated in accordance with the Code and the Member’s Interest in the Company.

New Allocations made by the Managers in reliance upon the advice of counsel and accountants as described above shall be deemed to be made in the best interests of the Company and all of the Members consistent with the duties of the Managers hereunder, and any such New Allocation shall not give rise to any claim or cause of action by any Member or Economic Interest Holder against the Company or the Managers.

ARTICLE XI. BOOKS AND RECORDS

11.1 Accounting Period. The Company’s accounting period shall be the Fiscal Year.

11.2 Records and Reports. At the expense of the Company, the Managers shall maintain records and accounts all operations and expenditures of the Company. The Company shall keep at its principal place of business the following records:

(a) A current list of the full name and last known address of each Member, Economic Interest Owner, and Manager;

(b) Copies of records to enable a Member to determine the relative voting rights, if any, of the Members;

(c) A copy of the Articles of Organization of the Company and all amendments thereto;

(d) Copies of the Company’s federal, state, and local income tax returns and reports, if any, for the three most recent years;
(e) Copies of this Operating Agreement, together with any amendments thereto; and

(f) Copies of any financial statements of the Company for the three most recent years.

The books and records shall at all times be maintained at the principal office of the Company and shall be open to the reasonable inspection and examination of the Members, Economic Interest Owners, or their duly authorized representatives during reasonable business hours.

11.3 Tax Returns. The Manager shall cause the preparation and timely filing of all tax returns required to be filed by the Company pursuant to the Code and all other tax returns deemed necessary and required in each jurisdiction in which the Company does business. Copies of such returns, or pertinent information therefrom, shall be furnished to the Members within a reasonable time after the end of the Company's Fiscal Year.

ARTICLE XII. TRANSFERABILITY

12.1 General. Except as otherwise specifically provided herein, a Member shall have no right to sell, assign, pledge, hypothecate, transfer, exchange, or otherwise transfer for consideration (collectively, "sell" or "sale"); or gift, bequeath, or otherwise transfer for no consideration (whether or not by operation of law, except in the case of bankruptcy) (collectively, "gift") (and any "sale" or "gift" shall be referred to sometimes herein as a "Transfer"); all or any part of such Member's Membership Interest without the prior written consent of all of the Managers and other Members.

12.2 Transferee Not Member in Absence of Consent. Notwithstanding anything contained in this Agreement to the contrary, if the Managers do not approve the proposed sale or gift of the Transferring Member's Membership Interest to a transferee or donee that is not a Member immediately prior to the sale or gift, then the proposed transferee or donee shall have no right to participate as, or to become, a Member. No Transfer of a Membership Interest in the Company shall be effective unless the Member complies with the provisions of Section 12.3 of this Agreement.

12.3 Right of First Refusal. Notwithstanding the limitations of Section 12.2 above, a Member shall have the right to Transfer all (but not less than all) of such Member's Membership Interest to an unrelated third party purchaser, but only if such Member first complies with all the terms and provisions of this Section 12.3.

If a Member receives a bona fide offer for the purchase of all of such Member's Membership Interest from an unrelated third party, desires to sell all of such Membership Interest, and has not received the prior written consent of all the Managers, then such Member may sell such Membership Interest only for cash or its equivalent and only after offering it to the Company and to the Managers in accordance with the procedures set forth in this Section 12.3.
The Member desiring to sell a Membership Interest (the "Offeror Member") shall serve notice upon the Company and the Managers by certified mail, return receipt requested, indicating that a bona fide offer for the purchase of such Member's Membership Interest has been received and stating the name and address of the Person or Persons desiring to purchase the Membership Interest and the sale price and terms of payment of such sale, including with such notice a certified copy of the executed original of said offer to purchase signed by the prospective purchaser.

For a period of 30 days after the receipt of such notice (the "Option Period"), the Company shall have the option to purchase and redeem the Membership Interest so offered at the price and upon the terms and conditions set forth in the offer of purchase. The Offeror Member shall have no voice, directly or indirectly, in the decision of the Company as to whether to purchase such Membership Interest. The Company shall exercise its option to purchase only by written notice served on the Offeror Member on or before the last day of the Option Period.

If at the end of the Option Period, the Company fails to exercise its option to purchase and redeem the Membership Interest so offered by the Offeror Member, the Offeror Member shall withdraw its offer to sell and redeem its Membership Interest.

The closing of any purchase and sale under this Section 12.3 shall take place as follows:

The closing shall be held at the principal office of the Company or at such other place as shall be mutually agreed to by the Offeror Member and the Managers within 30 days following the exercise of such option.

At the closing, assignments of the Membership Interest of the selling Member, with covenants against assignors' acts, together with such other instruments and documents as may be necessary or desirable to effect the Transfer of the Membership Interest shall be executed and delivered. The Members shall also execute and deliver an amendment to this Agreement, if appropriate.

The Company or the Managers (as appropriate) shall pay the purchase price at closing by certified check or by wire transfer of immediately available federal funds. Alternatively, the Company or the Managers (as appropriate) may pay the purchase price by delivery of a promissory note, payable in up to twenty (20) equal quarterly installments of principal and interest, with interest accruing at a rate per annum equal to the Prime Rate, and including provisions that the promissory note may be prepaid without penalty and that the first installment payment will be due at the beginning of the first calendar quarter commencing after the closing date.

Effective as of the date of the closing, the selling Member shall cease to be a member of the Company, and the selling Member shall have no further rights, duties or obligations with respect to the Company arising out of this Agreement. Subsequent to the closing date such selling Member shall have no further Membership Interest in the Company's capital, Profit, Loss, gains, or distributions.
12.4 Assignee's Commitments. In connection with any Transfer, the assignee of a Member's Membership Interest must agree as follows:

(a) the Member and the assignee shall have executed a written instrument of assignment, and such other instruments and agreements as the Managers may request, all of which are satisfactory in form and content to the Managers, in which the assignee is designated as a substituted Member;

(b) such instrument of assignment and other documents shall have been delivered to the Managers;

(c) the assignee shall have executed a written agreement to be bound by all the terms and conditions of this Agreement in the same manner as though such proposed assignee were an original signatory hereof, satisfactory in form to the Managers;

(d) all required Capital Contributions owed by the assignor shall have been paid;

(e) the Manager shall have been furnished a written representation by the assignee (together with such supporting or supplemental evidence as the Managers may request) that said assignee (if an individual) is at least 18 years of age, that assignee is a citizen and resident of the United States, that assignee has sufficient financial resources to maintain the membership interests being acquired;

(f) the Manager, if they so elect, shall have received an opinion of counsel acceptable in form and substance to the Managers that the proposed transfer is exempt from the registration provisions of the federal Securities Act of 1933, as amended, the securities laws of the states of residence of the proposed assignor and assignee, and the securities laws of any other jurisdiction which, in the opinion of the Manager or such counsel, may be applicable, or is otherwise in compliance with such laws; and

(g) the Manager shall have consented in writing to such transfer and substitution of such assignee as a Member, the granting or denial of such consent to transfer being within the sole and absolute discretion of the Managers; provided, however, that the consent of the Manager to such transfer and substitution shall be withheld if the Manager reasonably believe that:

(i) the proposed substituted Member is not authorized to acquire the Units so assigned or does not have sufficient financial resources to acquire and maintain the Units assigned to him,

(ii) the proposed transfer and substitution would constitute a violation of any federal or state securities law or regulation, or

(iii) the proposed transfer and substitution would cause a termination of the Company for federal or state income tax purposes.
The Company may charge a reasonable fee equal to its costs, including an amount sufficient to reimburse the Company for attorneys' fees and other fees incurred in connection with a transfer of Units pursuant hereto.

12.5 Death or Disability of a Member.

(a) If a Member who is an individual dies or becomes Disabled (as hereinafter defined), then the Company shall have the absolute right, but not the obligation, to purchase such Member's Membership Interest as set forth in this Section 12.5. The Company shall exercise such right of purchase by notifying such Member's successor or other representative of the Company's exercise of its right of purchase pursuant to this Section 12.5. The Company shall have sixty (60) days following said Member's Disability or 120 days following said Member's death to exercise such right of purchase.

(b) The closing of any purchase and sale under this Section 12.5 shall take place as follows: The closing shall be held at the principal office of the Company or at such other place as shall be mutually agreed to by the Member or his or her successor or other representative and the Managers within 30 days following the exercise of such option. At the closing, assignment of the Membership Interest of the deceased or Disabled Member, with covenants against assignors' acts, together with such other instruments and documents as may be necessary or desirable to effect the assignment of the Membership Interest shall be executed and delivered. The Members shall also execute and deliver an amendment to this Agreement, if appropriate. The purchase price shall equal the Fair Value of the Membership Interest. The Company or the Managers (as appropriate) shall pay the purchase price at closing by certified check or by wire transfer of immediately available federal funds. Alternatively, the Company or the Managers (as appropriate) may pay the purchase price by delivery of a promissory note, payable in up to twenty (20) equal quarterly installments of principal and interest, with interest accruing at a rate per annum equal to the Prime Rate, and including provisions that the promissory note may be prepaid without penalty and that the first installment payment will be due at the beginning of the first calendar quarter commencing after the closing date. Effective as of the date of the closing, the Disabled Member or the estate of the deceased Member shall cease to be a member of the Company and shall have no further rights, duties, or obligations with respect to the Company arising out of this Agreement. Subsequent to the closing date such Disabled Member or the estate of the deceased Member shall have no further Membership Interest in the Company’s capital, Profit, Loss, gains, or distributions.

(c) A Member shall be deemed to have a "Disability" and, therefore, be "Disabled" and referred to as a "Disabled Member" if such Member is absent from such Member's employment with the Company by reason of any mental or physical illness, disability, or incapacity for a period of six (6) consecutive months, or for shorter periods aggregating to six (6) months in any consecutive twelve-month period. Determination of a Member's mental or physical disability shall be made by the Managers, based upon an examination and certification by a physician selected by the Managers, to which such Member hereby consents. If the physician selected by Managers is not said Member's
personal physician, however, said Member shall have the right to have such Member’s personal physician present at any such examination.

ARTICLE XIII. ISSUANCE OF ADDITIONAL MEMBERSHIP INTERESTS

Any Person approved by all of the Managers and Members may become a Member in the Company by the issuance by the Company of Membership Interests of a Member for such consideration as the Managers and Members shall determine.

ARTICLE XIV. DISSOLUTION AND TERMINATION

14.1 Dissolution.

(a) The Company shall be dissolved upon the earlier to occur of any of the following events:

(i) by the Majority Vote of the Members; or

(ii) the sale of all or substantially all of the Company’s assets and the collection of all proceeds therefrom,

The occurrence of an Event of Dissociation (as defined in Section 14-11-601.1 of the Georgia Act) as to a Member will not cause the Company to be dissolved.

(b) Any successor in interest of the Member as to whom the Event of Dissociation occurs shall become an Economic Interest Owner but shall not be admitted as a Member, as the case may be, except in accordance with Article XII hereof.

(c) A Member shall not voluntarily withdraw from the Company or take any other voluntary action which causes an Event of Dissociation.

(d) Damages for breach of Section 14.1(c) shall be monetary damages only (and not specific performance), and such damages may be offset against distributions by the Company to which the withdrawing Member would otherwise be entitled.

14.2 Effect of Dissolution. Upon dissolution, the Company shall cease to carry on its business, except as permitted by the Georgia Act. Upon dissolution, the Managers shall file a statement of commencement of winding up and publish the notice permitted by the Georgia Act.

14.3 Winding-Up, Liquidation, and Distribution of Assets.

(a) Upon dissolution, an accounting shall be made by the Company’s accountants of the accounts of the Company and of the Company’s assets, liabilities, and operations, from the date of the last previous accounting until the date of dissolution. The
Manager(s), or if none, the Persons or Persons selected by Majority Vote of the Members (the “Liquidators”) shall immediately proceed to wind up the affairs of the Company.

(b) If the Company is dissolved and its affairs are to be wound up, the Liquidators shall:

(i) Sell or otherwise liquidate all of the Company’s assets as promptly as practicable (except to the extent the Liquidators may determine to distribute any assets to the Members in kind);

(ii) Allocate any profit or loss resulting from such sales to the Members, and Economic Interest Owners in accordance with Article X hereof;

(iii) Discharge all liabilities of the Company, including liabilities to Members, and Economic Interest Owners who are creditors, to the extent otherwise permitted by law, other than liabilities to Members, and Economic Interest Owners for distributions, and establish such Reserves as may be reasonably necessary to provide for contingent liabilities or liabilities of the Company;

(iv) Distribute the remaining assets to the Members, either in cash or in kind, (A) first, to the Members in accordance with the positive balance (if any) in each Member’s Capital Account (as determined after taking into account all Capital Account adjustments for the Company’s Fiscal Year during which the liquidation occurs), and (B) with any balance remaining after such distributions under (A) being distributed to the Members in proportion to the Members’ respective Ownership Percentages. Any such distributions in respect to Capital Accounts shall, to the extent practicable, be made in accordance with the time requirements set forth in Section 1.704-1 (b)(2)(ii)(b)(2) of the Treasury Regulations; and

(v) If any assets of the Company are to be distributed in kind, the net fair market value of such assets shall be determined by independent appraisal or by agreement of the Members. Such assets shall be deemed to have been sold as of the date of dissolution for their fair market value, and the Capital Accounts of the Members, and Economic Interest Owners shall be adjusted pursuant to the provisions of this Operating Agreement.

(c) Notwithstanding anything to the contrary in this Operating Agreement, upon a liquidation within the meaning of Section 1.704.1(b)(2)(ii)(g) of the Treasury Regulations, if any Member has a deficit Capital Account (after giving effect to all contributions, distributions, allocations, and other Capital Account adjustments for all taxable years, including the year during which such liquidation occurs), such Member shall have no obligation to make any Capital Contribution to reduce or eliminate the negative balance of such Member’s Capital Account.
(d) Upon completion of the winding-up, liquidation, and distribution of the assets, the Company shall be deemed terminated.

14.4 **Certificate of Termination.** When all debts, liabilities, and obligations have been paid and discharged or adequate provisions have been made therefor and all of the remaining property and assets have been distributed to the Members, a certificate evidencing such termination may be executed and filed with the Secretary of State of Georgia in accordance with the Georgia Act.

14.5 **Return of Contribution Nonrecourse to Other Members.** Except as provided by law or as expressly provided in this Operating Agreement, upon dissolution, each Member shall look solely to the assets of the Company for the return of the Member’s Capital Account. If the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to return the Capital Account of one or more Members, including, without limitation, all or any part of that Capital Account attributable to Capital Contributions, then such Member shall have no recourse against any other Member.

**ARTICLE XV. MISCELLANEOUS PROVISIONS**

15.1 **Application of Georgia Law.** This Operating Agreement, and the application or interpretation hereof, shall be governed exclusively by its terms and by the Georgia Act.

15.2 **No Action for Partition.** No Member has any right to maintain any action for partition with respect to the property of the Company.

15.3 **Execution of Additional Instruments.** Each Member hereby agrees to execute such other and further statements of interest and holdings, designations, powers of attorney, and other instruments necessary to comply with any laws, rules, or regulations.

15.4 **Construction.** Whenever the singular number is used in this Operating Agreement and when required by the context, the same shall include the plural and vice versa, and the masculine gender shall include the feminine and neuter genders and vice versa.

15.5 **Headings.** The headings in this Operating Agreement are inserted for convenience only and are in no way intended to describe, interpret, define, or limit the scope, extent, or intent of this Operating Agreement or any provision hereof.

15.6 **Waivers.** The failure of any party to seek redress for violation of or to insist upon the strict performance of any covenant or condition of this Operating Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

15.7 **Rights and Remedies Cumulative.** The rights and remedies provided by this Operating Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies. Such rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance, or
otherwise.

15.8 Exhibits. All exhibits referred to in this Operating Agreement and attached hereto are incorporated herein by this reference.

15.9 Heirs, Successors, and Assigns. Each and all of the covenants, terms, provisions, and agreements herein contained shall be binding upon and inure to the benefit of the parties hereto and, to the extent permitted by this Operating Agreement, their respective heirs, legal representatives, successors, and assigns.

15.10 Creditors. None of the provisions of this Operating Agreement shall be for the benefit of or enforceable by any creditors of the Company or by any Person not a party hereto.

15.11 Counterparts. This Operating Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

15.12 Federal Income Tax Election; Tax Matters Partner. All elections required or permitted to be made by the Company under the Code shall be made by the Managers. For all purposes permitted or required by the Code, the Manager constitutes and appoints JEFFREY HERMAN, as the Tax Matters Partner or such other Manager as shall be elected. The provisions on limitations of liability of the Managers and Members and indemnification set forth in Article V hereof shall be fully applicable to the Tax Matters Partner in his or her capacity as such. The Tax Matters Partner may resign at any time by giving written notice to the Company and each of the other Managers. Upon the resignation of the Tax Matters Partner, a new Tax Matters Partner may be elected by the Managers.

15.13 Notices. Any and all notices, offers, demands, or elections required or permitted to be made under this Operating Agreement shall be in writing, signed by the party giving such notice, and shall be deemed given and effective (i) when hand-delivered (either in person by the party giving such notice, or by its designated agent, or by commercial courier), or (ii) on the third (3rd) business day (which term means a day when the United States Postal Service, or its legal successor ("Postal Service") is making regular deliveries of mail on all of its regularly appointed week-day rounds in Atlanta, Georgia) following the day (as evidenced by proof of mailing) upon which such notice is deposited, postage pre-paid, certified mail, return receipt requested, with the Postal Service, and addressed to the other party at such party’s respective address as set forth in Article IV above, or at such other address as the other party may hereafter designate by Notice.

15.14 Certification of Non-Foreign Status. In order to comply with § 1445 of the Code and the applicable Treasury Regulations thereunder, in the event of the disposition by the Company of a United States real property interest as defined in the Code and Treasury Regulations, each Member shall provide to the Company an affidavit stating, under penalties of perjury, (i) the Member’s address, (ii) United States taxpayer identification number, and (iii) that the Member is not a foreign person as that term is defined in the Code and Treasury Regulations. Failure by any Member to provide such affidavit by the date of such disposition shall authorize the Managers to withhold ten percent (10%) of each such Member’s distributive share of the
amount realized by the Company on the disposition.

15.15 Amendments. Any amendment to this Operating Agreement shall be approved by the Members where required by and in the manner provided in Section 6.4 hereof. After such approval by the Members, as the case may be, or in the event approval by the Members is not necessary under Section 6.4, each Member agrees to execute and deliver to the Company upon request by the Managers appropriate documentation to evidence each amendment.

15.16 Invalidity. The invalidity or unenforceability of any particular provision of this Operating Agreement shall not affect the other provisions hereof, and the Operating Agreement shall be construed in all respects as if such invalid or unenforceable provision were omitted. If any particular provision herein is construed to be in conflict with the provisions of the Georgia Act, the provisions of this Operating Agreement shall control to the fullest extent permitted by applicable law. Any provision found to be invalid or unenforceable shall not affect or invalidate the other provisions hereof, and this Operating Agreement shall be construed in all respects as if such conflicting provision were omitted.

15.17 Arbitration. Any dispute, controversy, or claim arising out of or in connection with, or relating to, this Operating Agreement or any breach or alleged breach hereof shall, upon the request of any party involved, be submitted to, and settled by, arbitration in the City of Atlanta, State of Georgia, pursuant to the commercial arbitration rules then in effect by the American Arbitration Association (or at any time or at any other place or under any other form of arbitration mutually acceptable to the parties so involved). Any award rendered shall be final and conclusive upon the parties and a judgment thereon may be entered in the highest court of the forum, state or federal, having jurisdiction. The expenses of the arbitration shall be borne equally by the parties to the arbitration, provided that each party shall pay for and bear the cost of its own experts, evidence, and counsel's fees, except that in the discretion of the arbitrator, any award may include the cost of a party's counsel if the arbitrator expressly determines that the party against whom such award is entered has caused the dispute, controversy, or claim to be submitted to arbitration as a dilatory tactic.

15.18 Determination of Matters Not Provided for in this Operating Agreement. The Managers shall decide any and all questions arising with respect to the Company and this Operating Agreement which are not specifically or expressly provided for in this Operating Agreement.

15.19 Further Assurances. The Members each agree to cooperate, and to execute and deliver in a timely fashion any and all additional documents necessary to effectuate the purposes of the Company and this Operating Agreement.

15.20 No Partnership Intended for Non-Tax Purposes. The Members have formed the Company under the Georgia Act, and expressly disavow any intention to form a partnership under Georgia's Uniform Partnership Act, Georgia's Uniform Limited Partnership Act, or the partnership act or laws of any other state. The Members do not intend to be partners one to another or partners as to any third party. To the extent any Member, by word or action, represents to another person that any other Member is a partner or that the Company is a
partnership, the making such wrongful representation shall be liable to any other Member or who incurs personal liability by reason of such wrongful representation.

15.21 **Time.** Time is of the essence of this Operating Agreement, and to any payments, allocations, and distributions provided for under this Operating Agreement.
