Larry Chesney opened the public hearing. Trevor Lloyd reviewed Chad Giesinger’s staff report dated February 16, 2018, in Mr. Giesinger’s absence.

Gabe Wittler with Odyssey Engineering, the applicant’s representative, agrees with the proposed conditions and noted a grading permit was already in process and there would be one for each parcel once the map is recorded.

With no response to the call for public comment, the public comment period was closed.

Tim Simpson moved that, after giving reasoned consideration to the information contained within the staff report and the information received during the public meeting, that the Washoe County Parcel Map Review Committee approve Tentative Parcel Map Case Number WTPM18-0001 (Spareno LLC), subject to the conditions of approval as listed in Exhibit A of the staff report, and
make the determination that the following criteria is or will be adequately provided for pursuant to Washoe County Code Section 110.606.30. Mike Gump seconded the motion which carried unanimously.

The motion carried and considered the following criteria:

1) General improvement considerations for all parcel maps including, but not limited to:
   a) Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal;
   b) The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the subdivision;
   c) The availability and accessibility of utilities;
   d) The availability and accessibility of public services such as schools, police and fire protection, transportation, recreation and parks;
   e) Conformity with the zoning ordinances and master plan;
   f) General conformity with the governing body’s master plan of streets and highways;
   g) The effect of the proposed subdivision on existing public streets and the need for new streets or highways to serve the subdivision;
   h) Physical characteristics of the land such as floodplain, slope and soil;
   i) The recommendations and comments of those entities reviewing the tentative parcel map pursuant to NRS 278.330 and 278.348, inclusive;
   j) The availability and accessibility of fire protection including, but not limited to, the availability and accessibility of water and services for the prevention and containment of fires including fires in wild lands;
   k) Community antenna television (CATV) conduit and pull wire; and
   l) Recreation and trail easements.

2) Subdivision improvement considerations for second or subsequent parcel maps pursuant to Section 110.606.30(d) and which are in addition to the criteria listed above.

Lorenz Robinson, the property owner, noted the address in the staff report was a typo. The corrected address is 15380 Tuxon Way. DDA Edwards noted this isn’t a problem as the APN is correct.

The Committee unanimously agreed to amend the motion to include the “0” to the address of 15380 Tuxon Way.

8. *Reports and Future Agenda Items
   A. *Legal Information and Updates
       None

9. *General Public Comment
   As there was no response to the call for public comment, the comment period was closed.

10. Adjournment
    Larry Chesney made the motion to adjourn at 2:22 p.m.

Respectfully submitted,
