   Eric Young opened the public hearing. Kelly Mullin reviewed his staff report dated September 27, 2018. Ms. Mullin noted she spoke with Matthew Philunalee, project surveyor, the day before regarding condition 1(h) relating to what appeared to be a second dwelling on parcel 2. Mr. Philunalee clarified the structure was not a dwelling but a trailer. Mr. Larkin, the applicant said he didn’t know if the “trailer” had wheels under it but there are no utilities to it. Ms. Mullin recommended a minor change to condition 1(h), at the end of the first sentence adding “if applicable”.

   With no response to the call for public comment, the public comment period was closed.

   Tim Simpson asked for clarification regarding who goes out to inspect the site to see if the trailer has been removed. Ms. Mullin said it would require a letter from the surveyor certifying the accessory structures have been move to locations meeting the setbacks. Mr. Gump said, when the mylar comes in, he will make sure all Engineering comments are satisfied then takes it to Ms. Mullin to make sure all her conditions are satisfied, get the mylar signed by the Director of Planning and Building, Mojra Hauenstein, then return the mylar back to Mr. Gump and he will have it recorded. Mr. Young asked if this application would require the moving of some buildings on-site. Ms. Mullin said, based on the site plan submitted, yes.

   Mike Gump moved that, after giving reasoned consideration to the information contained within the staff report and the information received during the public meeting, that the Washoe County Parcel Map Review Committee approve Parcel Map Case Number WTPM18-0009 for Stephen
Larkins, subject to the conditions of approval included as Exhibit A with the staff report, and make the determination that the following criteria is or will be adequately provided for pursuant to Washoe County Code, Section 110.606.30, with the addition to condition 1(h), “if applicable”. Wes Rubio seconded the motion which carried unanimously.

The motion carried and considered the following criteria:

1) General improvement considerations for all parcel maps including, but not limited to:
   a) Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal;
   b) The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the subdivision;
   c) The availability and accessibility of utilities;
   d) The availability and accessibility of public services such as schools, police and fire protection, transportation, recreation and parks;
   e) Conformity with the zoning ordinances and master plan;
   f) General conformity with the governing body’s master plan of streets and highways;
   g) The effect of the proposed subdivision on existing public streets and the need for new streets or highways to serve the subdivision;
   h) Physical characteristics of the land such as floodplain, slope and soil;
   i) The recommendations and comments of those entities reviewing the tentative parcel map pursuant to NRS 278.330 and 278.348, inclusive;
   j) The availability and accessibility of fire protection including, but not limited to, the availability and accessibility of water and services for the prevention and containment of fires including fires in wild lands;
   k) Community antenna television (CATV) conduit and pull wire; and
   l) Recreation and trail easements.

8. *Reports and Future Agenda Items
   A. *Legal Information and Updates
   Mr. Young announced his request to the Planning Commission chair to appoint a new fire representative for TMFPD and move Lisa Beaver to an alternate.

9. *General Public Comment
   As there was no response to the call for public comment, the comment period was closed.

10. Adjournment
    Eric Young made the motion to adjourn at 2:14 p.m.
