**Tentative Parcel Map Evaluation**

- **Land Use Designation:** Low Density Suburban (LDS) & General Rural (GR)
- **Maximum Lot Potential:** 3 lots
- **Number of Lots on Parcel Map:** 3 lots
- **Minimum Lot Size Required:** 35,000 square feet
- **Minimum Lot Size on Parcel Map:** 52,933 square feet
- **Minimum Lot Width Required:** 120 feet
- **Minimum Lot Width on Parcel Map:** over 120 feet

The tentative parcel map meets all minimum requirements for the Low Density Suburban (LDS) regulatory zone.

Development Suitability Constraints: The Forest Area Plan Development Suitability Map, a part of the Forest Area Plan, identifies the subject parcel as having slopes greater than 15% and slopes greater than 30%

Hydrographic Basin: The subject parcel is within the Pleasant Valley Hydrographic Basin.

The subject parcel is inside the Truckee Meadows Service Area (TMSA).
Forest Area Plan Modifiers

There are no modifiers within Article 204 (Area Plan Regulations – Forest Area) of the Washoe County Code Chapter 110 (Development Code) that effect the evaluation of this proposed parcel map.

Development Information

The subject site is undeveloped at this time, with the exception of US Forest Service road 047 on the north side of the property which is paved and accesses the Whites Creek trailhead. The road has been dedicated to Washoe County and there is 20-foot public easement for the roadway and also for a 15-foot non-motorized public and equestrian easement (See Site Plan on page 3). The vacant subject site does appear to have slopes greater than 30% site (See Slope Map on page 5). The three parcels will have regulatory zoning LDS and LDS setbacks are 30 feet in the front and rear and 12 feet on the side. There is sufficient area within each proposed parcel to meet these standards.

These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the approval of this tentative parcel map shall be met or financial assurance must be provided to satisfy the conditions of approval prior to the recordation of a final parcel map. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance.
