Parcel Map

The purpose of a parcel map is to allow for the creation of subdivisions, merger and re-subdivision of existing lots, and common-interest communities consisting of four or fewer parcels pursuant to Washoe County Code Chapter 110, Article 606, Parcel Maps. A tentative parcel map must be submitted to the Planning and Building Division for the purpose of review prior to or concurrent with the final parcel map. Every tentative parcel map must be prepared by a professional land surveyor. The parcel map process exists to establish reasonable standards of design and procedures for subdividing in order to further the orderly layout and use of land and insure proper legal descriptions and monumenting of subdivided land. Additionally, the process helps to safeguard the public health, safety and general welfare by establishing minimum standards of design and development for any land division platted in the unincorporated area of Washoe County. If the Washoe County Parcel Map Review Committee grants an approval of the tentative parcel map, that approval is subject to Conditions of Approval. Conditions of Approval are requirements that may need to be completed during different stages of the proposed project. Those stages are typically:

- Prior to recordation of a final map.
- Prior to obtaining a final inspection and/or a certificate of occupancy on a structure.
- Prior to the issuance of a business license or other permits/licenses.
- Some Conditions of Approval are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project.

Within 22 months from the date of approval of the tentative parcel map, the applicant must file a final parcel map along with any required supporting materials with the Planning and Building Division and the County Engineer showing that all conditions imposed by the Washoe County Parcel Map Review Committee have been met. Approval or conditional approval of a tentative parcel map imposes no obligation on the part of the Director of the Planning and Building Division or the Washoe County Board of County Commissioners to approve the final parcel map or to accept any public dedication shown on the tentative or final parcel map. Failure to submit a complete final parcel map and pay the required fees within the two year time period shall cease any further action on the map and shall render the tentative parcel map as expired.

The Conditions of Approval for Tentative Parcel Map Case Number WTPM18-0012 is attached to this staff report and will be included with the Action Order, if approved by the Parcel Map Review Committee.

The subject property has a regulatory zone of Industrial, which allows Industrial and Commercial uses. The property is located in the Spanish Springs Area Plan.
Tentative Parcel Map Evaluation

Regulatory Zone: Industrial

Maximum Lot Potential: 6
Number of Lots on Parcel Map: 2
Minimum Lot Size Required: 10,000 sq. ft.
Minimum Lot Size on Parcel Map: 26,136 sq. ft.
Minimum Lot Width Required: 100 ft.
Minimum Lot Width on Parcel Map: 100 ft.

The tentative parcel map meets all minimum requirements for the Industrial regulatory zone.

Development Suitability Constraints: The Spanish Springs Area Plan Development Suitability Map identifies the subject parcel as most suitable for development.

Hydrographic Basin: The subject parcel is within the Spanish Springs Valley Hydrographic Basin.

The subject parcel is inside the Truckee Meadows Service Area (TMSA).
The proposed subdivision is not a second or subsequent division of a parcel map approved within the last five years.

Spanish Springs Area Plan Modifiers

The subject parcel is located within the Spanish Springs Area Plan. The subject property is located in the area identified as subject to Appendix B – Business Park Design Guidelines, as defined within the Spanish Springs Area Plan.

Development Information

The subject parcel is undeveloped. The required setbacks for the Industrial regulatory zone are 15 feet for front and rear yard setbacks and 10 feet for the side yard setbacks.

Reviewing Agencies

The following agencies received a copy of the project application for review and evaluation:

- Washoe County Community Services Department
  - Planning and Building Division
  - Engineering and Capital Projects Division
  - Parks and Open Spaces
  - Utilities
- Washoe County Health District
  - Environmental Health Services Division
- Truckee Meadows Water Authority (TMWA)
- Truckee Meadows Fire Protection District
- Regional Transportation Commission (RTC)
• Washoe-Storey Conservation District

3 out of the nine above listed agencies/departments provided comments and/or recommended conditions of approval in response to their evaluation of the project application. A summary of each agency’s comments and/or recommended conditions of approval and their contact information is provided. The Conditions of Approval document is attached to this staff report and will be included with the Action Order, if granted approval.

• Washoe County Planning and Building Division, Planning Program requires that the final map be in substantial compliance with all plans and documents submitted with the tentative parcel map.

Staff Comment on Required Findings

WCC Section 110.606.30 (i) requires that all of the following findings be made to the satisfaction of the Washoe County Parcel Map Review Committee before granting approval of the request. Staff has completed an analysis of the application and has determined that the proposal is in compliance with the required findings as follows.

1) General improvement considerations for all parcel maps including, but not limited to:
   a) Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal.
      Staff Comment: The Washoe County Health District reviewed the application, and had no comments or conditions regarding the need for additional improvements. The Health District retains the rights to require additional improvement for future development of the property.
   b) The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the subdivision.
      Staff Comment: Truckee Meadows Water Authority has reviewed the tentative parcel map and provided conditions related to water service.
   c) The availability and accessibility of utilities.
      Staff Comment: All necessary easements shall be provided as part of the parcel map, as applicable.
   d) The availability and accessibility of public services such as schools, police and fire protection, transportation, recreation and parks.
      Staff Comment: All services are available to the subject property. The area is serviced by Truckee Meadows Fire Protection District and Washoe County Sheriff.
   e) Conformity with the zoning ordinances and master plan.
      Staff Comment: The parcel map conforms to all regulatory zone requirements and the goals and policies of the Washoe County master plan.
   f) General conformity with the governing body’s master plan of streets and highways.
      Staff Comment: The parcel map conforms to the Streets and Highway plan.
g) The effect of the proposed subdivision on existing public streets and the need for new streets or highways to serve the subdivision.

Staff Comment: The proposed tentative parcel map will not greatly impact the existing public streets and highways. No new streets are needed or proposed to serve the new parcel.

h) Physical characteristics of the land such as flood plain, slope and soil.

Staff Comment: The subject parcel is physically suitable for development, and is not constricted by flood plains, steep slopes or other natural conditions of the land.

i) The recommendations and comments of those entities reviewing the tentative parcel map pursuant to NRS 278.330 and 278.348, inclusive.

Staff Comment: All recommended conditions of approval from the reviewing agencies have been included as a condition of approval, as part of the staff report.

j) The availability and accessibility of fire protection including, but not limited to, the availability and accessibility of water and services for the prevention and containment of fires including fires in wild lands.

Staff Comment: The Truckee Meadows Fire Protection District adequately serves these properties.

k) Community antenna television (CATV) conduit and pull wire.

Staff Comment: All utilities will be made available as necessary, within the recorded utility easements.

l) Recreation and trail easements.

Staff Comment: The subject properties are within an Industrial zoned area. No trail or recreational easements are proposed within this area.

Recommendation

Those agencies which reviewed the application, recommended conditions in support of approval of the tentative parcel map. Therefore, after a thorough analysis and review, Parcel Map Case Number WTPM18-0012 is being recommended for approval with conditions. Staff offers the following motion for the Parcel Map Review Committee’s consideration.

Review Criteria

I move that, after giving reasoned consideration to the information contained within the staff report and the information received during the public meeting, that the Washoe County Parcel Map Review Committee approve Parcel Map Case Number WTPM18-0012 for Spanish Springs Associates, subject to the conditions of approval included as Exhibit A with the staff report, and make the determination that the following criteria is or will be adequately provided for pursuant to Washoe County Code, Section 110.606.30:

1) General improvement considerations for all parcel maps including, but not limited to:
   a) Environmental and health laws and regulations concerning water and air pollution, the disposal of solid waste, facilities to supply water, community or public sewage disposal and, where applicable, individual systems for sewage disposal;
   b) The availability of water which meets applicable health standards and is sufficient for the reasonably foreseeable needs of the subdivision;
   c) The availability and accessibility of utilities;
   d) The availability and accessibility of public services such as schools, police and fire protection, transportation, recreation and parks;
e) Conformity with the zoning ordinances and master plan;
f) General conformity with the governing body’s master plan of streets and highways;
g) The effect of the proposed subdivision on existing public streets and the need for new streets or highways to serve the subdivision;
h) Physical characteristics of the land such as floodplain, slope and soil;
i) The recommendations and comments of those entities reviewing the tentative parcel map pursuant to NRS 278.330 and 278.348, inclusive;
j) The availability and accessibility of fire protection including, but not limited to, the availability and accessibility of water and services for the prevention and containment of fires including fires in wild lands;
k) Community antenna television (CATV) conduit and pull wire; and
l) Recreation and trail easements.

**Appeal Process**

Parcel Map Review Committee action will be effective 10 calendar days after the written decision is filed with the Secretary to the Parcel Map Review Committee, unless the action is appealed to the Washoe County Board of County Commissioners, in which case the outcome of the appeal shall be determined by the Board of County Commissioners. Any appeal must be filed in writing within 10 calendar days from the date the written decision is filed with and signed by the Secretary of the Parcel Map Review Committee and mailed to the applicant.

The tentative parcel map approved under Parcel Map Case Number WTPM18-0012 shall be carried out in accordance with the Conditions of Approval granted by the Washoe County Parcel Map Review Committee on November 8, 2018. Conditions of Approval are requirements placed on a permit or development by each reviewing agency. These Conditions of Approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the approval of this tentative parcel map shall be met or financial assurance must be provided to satisfy the conditions of approval prior to the recordation of a final parcel map. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Planning and Building Division.

Compliance with the conditions of approval related to this tentative parcel map is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. Failure to comply with any of the conditions imposed in the approval of the tentative parcel map may result in the institution of revocation procedures.

Washoe County reserves the right to review and revise the Conditions of Approval related to this tentative parcel map should it be determined that a subsequent license or permit issued by Washoe County violates the intent of this approval.

For the purpose of conditions imposed by Washoe County, “may” is permissive and “shall” or “must” is mandatory.

Conditions of Approval are usually complied with at different stages of the proposed project. Those stages are typically:

- Prior to recordation of a final map.
- Prior to obtaining a final inspection and/or a certificate of occupancy.
- Prior to the issuance of a business license or other permits/licenses.
- Some “Conditions of Approval” are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project.

FOLLOWING ARE CONDITIONS OF APPROVAL REQUIRED BY THE REVIEWING AGENCIES. EACH CONDITION MUST BE MET TO THE SATISFACTION OF THE ISSUING AGENCY.
Washoe County Planning and Building Division

1. The following conditions are requirements of the Planning and Building Division, which shall be responsible for determining compliance with these conditions.

Contact: Eva Krause, Planner, 775.328.3628, ekrause@washoecounty.us

   a. The final map shall be in substantial compliance with all plans and documents submitted as part of this tentative parcel map application, and with any amendments imposed by the Parcel Map Review Committee. All documentation necessary to satisfy the conditions noted below shall accompany the final map when submitted to the County Engineer and the Planning and Building Division.

   b. The applicant shall comply with all the conditions of approval and shall submit a final map for signature by the Director of the Planning and Building Division within 22 months from the date of approval by the Parcel Map Review Committee. Each agency responsible for imposing conditions may determine whether its conditions must be fully completed or whether the applicant shall be offered the option of providing financial assurances as a means of assuring compliance.

   c. The final map shall contain the following jurat:

   
   DIRECTOR OF PLANNING AND BUILDING CERTIFICATE

   THE FINAL PARCEL MAP CASE NO. WTPM18-0012 MEETS ALL APPLICABLE STATUTES, ORDINANCES AND CODE PROVISIONS; IS IN SUBSTANTIAL CONFORMANCE WITH THE TENTATIVE MAP AND ITS CONDITIONS, WHICH ARE INCORPORATED HEREIN BY THIS REFERENCE, AND THOSE CONDITIONS HAVE BEEN SATISFIED FOR RECORDATION OF THIS MAP. THE OFFER(S) OF DEDICATION IS (ARE) REJECTED AT THIS TIME, BUT WILL REMAIN OPEN IN ACCORDANCE WITH NEVADA REVISED STATUTES CHAPTER 278.

   THIS FINAL MAP IS APPROVED AND ACCEPTED THIS ______ DAY OF ____________, 20_____, BY THE DIRECTOR OF PLANNING AND BUILDING OF WASHOE COUNTY, NEVADA, IN ACCORDANCE WITH NEVADA REVISED STATUTES 278.471 THROUGH 278.4725.

   MOJRA HAUENSTEIN, DIRECTOR, PLANNING AND BUILDING DIVISION

   d. Any regulations, procedures, and conditions adopted by the Washoe County Health District must be met prior to recordation of a final map.

   e. The applicant shall provide verification to the Planning and Building Division that all conditions from the Truckee Meadows Fire Protection District have been satisfied.

   f. The approval for this tentative parcel map does not include any site improvements. All site improvements, grading and building construction requires proper permits. If site improvements require grading that exceeds the Major Grading Permit Thresholds listed in Article 438 Grading Standards, the applicant shall apply for a special use permit for grading; and if approved, may be delayed up to three months processing time. In addition, all related standards within the Washoe County Development Code shall be met on the construction drawings.
**Washoe County Engineering and Capital Projects**

PARCEL MAP REVIEW

DATE: October 12, 2018

TO: Eva Krause, Planner - Department of Community Services

FROM: Mike Gump, PLS, Engineering and Capital Projects Division

SUBJECT: 22nd Parcel Map for: Spanish Springs Associates Limited Partnership
Parcel Map Case No.: WTPM18-0012
APN: 530-470-21
Review Date: October 10, 2018

The Engineering and Capital Projects Division has reviewed the subject parcel map and the following conditions must be successfully completed prior to final approval of this application by the Division.

1. Comply with the conditions of the Washoe County technical check for this map.
2. Add a note to the map stating: No habitable structures shall be located on a fault that was active during the Holocene Epoch of geological time.
3. Add a Security Interest Holder’s Certificate to the map if applicable.
4. Add the following note to the map; “All properties, regardless if they are located within or outside of a FEMA designated flood zone, may be subject to flooding. The property owner is required to maintain all drainage easements and natural drainages and not perform or allow unpermitted and unapproved modifications to the property that may have detrimental impacts to surrounding properties.”
Eva,

We have received this map for review separately from C & M Engineering. We are having Mr. Fong add the following note to the map:

Each parcel created by this map is required to have a separate water meter and water service line. The water purveyor shall have the right to install a water meter in the 10’ public utility easement adjacent to the street to serve each parcel respectively.

I don’t believe you will need to list this as a condition of approval. We will ensure this note is added before we will agree to sign the map. Please let me know if you have any questions for me.

Thank you. Have a great day.

**Grading**

Please complete the following additional questions if the project anticipates grading that involves:

1. Disturbed area exceeding twenty-five thousand (25,000) square feet not covered by streets, buildings and landscaping;
2. More than one thousand (1,000) cubic yards of earth to be imported and placed as fill in a special flood hazard area;
3. More than five thousand (5,000) cubic yards of earth to be imported and placed as fill;
4. More than one thousand (1,000) cubic yards to be excavated, whether or not the earth will be exported from the property; or
5. If a permanent earthen structure will be established over four and one-half (4.5) feet high.

If your project exceeds any of the above criteria, you shall either provide a preliminary grading and roadway design plan for review OR if these criteria are exceeded with the final construction drawings and not disclosed at the Tentative Parcel Map Application, you shall be required to apply for a special use permit for grading and you will be delayed up to three months, if approved.

17. How many cubic yards of material are you proposing to excavate on site?

- N/A
18. How many cubic yards of material are you exporting or importing? If exporting of material is anticipated, where will the material be sent? If the disposal site is within unincorporated Washoe County, what measures will be taken for erosion control and revegetation at the site? If none, how are you balancing the work on-site?

N/A

19. Can the disturbed area be seen from off-site? If yes, from which directions, and which properties or roadways? What measures will be taken to mitigate their impacts?

N/A

20. What is the slope (Horizontal/Vertical) of the cut and fill areas proposed to be? What methods will be used to prevent erosion until the revegetation is established?

N/A
21. Are you planning any berms and, if so, how tall is the berm at its highest? How will it be stabilized and/or revegetated?

| N/A |

22. Are retaining walls going to be required? If so, how high will the walls be, will there be multiple walls with intervening terracing, and what is the wall construction (i.e. rockery, concrete, timber, manufactured block)? How will the visual impacts be mitigated?

| N/A |

23. Will the grading proposed require removal of any trees? If so, what species, how many, and of what size?

| N/A |

24. What type of revegetation seed mix are you planning to use and how many pounds per acre do you intend to broadcast? Will you use mulch and, if so, what type?

| N/A |
25. How are you providing temporary irrigation to the disturbed area?

N/A

26. Have you reviewed the revegetation plan with the Washoe Storey Conservation District? If yes, have you incorporated their suggestions?

N/A
