CASE DESCRIPTION
For possible action, hearing, and discussion to approve the waiver of the requirement for filing a parcel map in connection with the division of an ±80.93-acre parcel into two parcels of ±1.35-acres and ±79.59-acres in size. The applicant has indicated the smaller parcel is intended for a future water tank. As the smaller parcel’s intended use is for a utility site, the parcel is not required to meet minimum lot size or width standards.

- Applicant: Truckee Meadows Water Authority
- Owner: Frank & Lanora Omboli
- Location: 15868 Toll Road, approximately 300 feet southeast of its intersection with Ravazza Road
- APN: 016-762-10
- Parcel Size: ±80.93-acres
- Master Plan: Rural & Rural Residential
- Regulatory Zone: General Rural & Medium Density Rural
- Area Plan: Southeast Truckee Meadows
- Citizen Advisory Board: South Truckee Meadows/Washoe Valley

Parcel Map Process

The purpose of a parcel map is to allow for the creation of subdivisions, merger and re-subdivision of existing lots, and common-interest communities consisting of four or fewer parcels pursuant to Washoe County Code Chapter 110, Article 606, Parcel Maps. A tentative parcel map must be submitted to the Planning and Building Division for the purpose of review prior to or concurrent with the final parcel map. Every tentative parcel map must be prepared by a professional land surveyor. The parcel map process exists to establish reasonable standards of design and procedures for subdividing in order to further the orderly layout and use of land and insure proper legal descriptions and monumenting of subdivided land. Additionally, the process helps to safeguard the public health, safety and general welfare by establishing minimum standards of design and development for any land division platted in the unincorporated area of Washoe County. If the Washoe County Parcel Map Review Committee grants an approval of the tentative parcel map, that approval is subject to Conditions of Approval. Conditions of Approval are requirements that may need to be completed during different stages of the proposed project. Those stages are typically:

- Prior to recordation of a final map.
- Prior to obtaining a final inspection and/or a certificate of occupancy on a structure.
- Prior to the issuance of a business license or other permits/licenses.
- Some Conditions of Approval are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project.

Within 22 months from the date of approval of the tentative parcel map, the applicant must file a final parcel map along with any required supporting materials with the Planning and Building Division and the County Engineer showing that all conditions imposed by the Washoe County Parcel Map Review Committee have been met. Approval or conditional approval of a tentative parcel map imposes no obligation on the part of the Director of the Planning and Building Division or the Washoe County Board of County Commissioners to approve the final parcel map or to accept any public dedication shown on the tentative or final parcel map. Failure to submit a complete final parcel map and pay the required fees within the two year time period shall cease any further action on the map and shall render the tentative parcel map as expired.

The recommended conditions of approval for Tentative Parcel Map Case Number WTPM18-0013 are attached to this staff report and will be included with the Action Order, if approved by the Parcel Map Review Committee.

The subject property has regulatory zones of General Rural (allows 1 dwelling unit per 40 acres; minimum lot size of 40 acres) and Medium Density Rural (allows 1 dwelling unit per 5 acres; minimum lot size of 4 acres). The current request is to divide a ±80.93-acre parcel into two parcels of ±1.35-acres and ±79.59-acres in size. The smaller parcel's intended use is for a utility site; therefore, that parcel is not required to meet minimum lot size standards, per WCC Section 110.404.10.
Tentative Parcel Map Waiver Evaluation

Regulatory Zones: General Rural (±60-ac.); Medium Density Rural (±20-ac.)
Maximum Lot Potential: 5
Number of Lots on Parcel Map: 2
Minimum Lot Size Required: General Rural (40-ac.); Medium Density Rural (4-ac.)
Minimum Lot Size on Parcel Map: ±1.35-ac. (permissible per WCC Section 110.404.10)
Minimum Lot Width Required: General Rural (660-ft.); Medium Density Rural (200-ft.)
Minimum Lot Width on Parcel Map: ±215-ft. (permissible per WCC Section 110.404.10)

The proposed new water tank parcel is located within the portion of the property designated General Rural. As the new parcel is intended for a regulated utility, it is not required to meet minimum requirements for the regulatory zone per WCC Section 110.404.10. However, a special use permit will be required to allow for the construction of a water tank on the site.

Development Suitability Constraints: The Southeast Development Suitability Map, a part of the Southeast Truckee Meadows Area Plan, identifies the subject parcel as containing slopes greater than 15%, and a significant ridgeline to be protected. Future development on the property will be subject to the standards of Washoe County Development Code Article 424, Hillside Development.

Hydrographic Basin: The subject parcel is within the Truckee Meadows Hydrographic Basin.

The subject parcel is outside the Truckee Meadows Service Area (TMSA).
The proposed subdivision is not a second or subsequent division of a parcel map approved within the last five years.

Southeast Truckee Meadows Area Plan Modifiers

The subject parcel is located within the Southeast Truckee Meadows Area Plan. There are no Development Code modifiers applicable to the property.

Development Information

The subject parcel is currently undeveloped with the exception of Toll Road extending across the southwest corner of the existing parcel, and dirt roads traversing the site.

Reviewing Agencies

The following agencies received a copy of the project application for review and evaluation:

- Washoe County Community Services Department
  - Planning and Building Division
  - Engineering and Capital Projects Division
  - Parks and Open Spaces
  - Utilities
- Washoe County Health District
▪ Truckee Meadows Fire Protection District
▪ Regional Transportation Commission (RTC)
▪ Washoe-Storey Conservation District
▪ NV Energy

Four of the above-listed agencies/departments provided comments and/or recommended conditions of approval in response to their evaluation of the project application. A summary of each agency’s comments and/or recommended conditions of approval and their contact information is provided. The Conditions of Approval document is attached to this staff report and will be included with the Action Order if granted approval.

▪ Washoe County Planning and Building Division provided conditions related to substantial compliance, timing and grading.
  Contact: Kelly Mullin, 775.328.3608, kmullin@washoecounty.us

▪ Washoe County Engineering and Capital Projects Division provided comments related to access, easements, and technical map requirements.
  Contact: Mike Gump, 775.328.2041, mgump@washoecounty.us

  Contact: Don Coon, 775.326.6077, dcoon@tmfpd.us

▪ Washoe County Health District provided requirements for test trenches.
  Contact: Wes Rubio, 775.328.2635, wrubio@washoecounty.us

Washoe County Parks and Open Space reviewed the application and indicated they had no comments or conditions of approval.

**Staff Comment on Required Findings**

WCC Section 110.606.75 requires that all of the following findings be made to the satisfaction of the Washoe County Parcel Map Review Committee before granting approval of the request. Staff has completed an analysis of the application and has determined that the proposal is in compliance with the required findings as follows.

a) **Conformity with Laws.** That the proposed minor subdivision conforms with Chapter 278 of NRS and this Development Code;

  **Staff Comment:** The proposed division is expected to conform with all applicable standards of the Development Code and NRS. A recommended condition of approval has been included requiring the water tank parcel to be reverted to acreage in accordance with NRS upon cessation or cancellation of its use.

b) **Conformity with Regulations.** That the proposed minor subdivision conforms to state and County requirements as to area, improvement and design, and flood water drainage control;

  **Staff Comment:** Washoe County Code Section 110.404.10 exempts utility parcels from size standards associated with the applicable regulatory zone. Future improvements to the property will be required to adhere to all applicable standards, including those related to improvements, design, and flood water drainage control.

c) **Environmental Effects.** That the proposed minor subdivision will not have an adverse effect on the environment;

  **Staff Comment:** The proposed division is not anticipated to negatively affect the environment. Future development will be required to adhere to all applicable standards.

d) **Conformity with Master Plan.** That the proposed minor subdivision conforms to the Washoe County Master Plan, including the area plans and any specific plans adopted by the County;
Staff Comment: The proposed parcel map conforms to standards within the Southeast Truckee Meadows Area Plan.

e) Change in Nonconformity. That no existing nonconformity with the other divisions in this Development Code will be increased;

Staff Comment: The existing site is undeveloped, meets minimum regulatory zone standards, and is not considered non-conforming.

f) Conformity with Other Ordinances. That the proposed minor subdivision conforms with all other County ordinances;

Staff Comment: With the recommended conditions of approval, the proposed minor subdivision is expected to conform with all other County ordinances.

g) Lack of Need. That unusual circumstances exist so that a parcel map is not necessary to insure proper legal description of property, location of property lines and monumenting of property lines; and

Staff Comment: This parcel map waiver request was submitted to several local and regional agencies for review. Staff received comments or conditions of approval in support of this parcel map waiver request from those agencies who responded. No comments opposing the request were received.

h) Facilities. That appropriate improved public roads, adequate sanitary disposal facilities, and adequate water supplies are available.

Staff Comment: Access to the new parcel will be provided via easements created with this map. As noted in the recommended conditions of approval, if the necessary access requires grading exceeding the thresholds identified in Washoe County Code Section 110.438.35, a special use permit for grading will be required.

Recommendation

Those agencies which reviewed the application, recommended conditions in support of approval of the tentative parcel map. Therefore, after a thorough analysis and review, Parcel Map Case Number WTPM18-0013 is being recommended for approval with conditions. Staff offers the following motion for the Parcel Map Review Committee’s consideration.

Possible Motion

I move that, after giving reasoned consideration to the information contained within the staff report and the information received during the public meeting, that the Washoe County Parcel Map Review Committee approve Parcel Map Case WTPM18-0013 for the Truckee Meadows Water Authority, subject to the conditions of approval included as Exhibit A with the staff report, and make all of the findings required by Washoe County Code Section 110.606.75:

a) Conformity with Laws. That the proposed minor subdivision conforms with Chapter 278 of NRS and this Development Code;

b) Conformity with Regulations. That the proposed minor subdivision conforms to state and County requirements as to area, improvement and design, and flood water drainage control;

c) Environmental Effects. That the proposed minor subdivision will not have an adverse effect on the environment;

d) Conformity with Master Plan. That the proposed minor subdivision conforms to the Washoe County Master Plan, including the area plans and any specific plans adopted by the County;
e) Change in Nonconformity. That no existing nonconformity with the other divisions in this Development Code will be increased;

f) Conformity with Other Ordinances. That the proposed minor subdivision conforms with all other County ordinances;

g) Lack of Need. That unusual circumstances exist so that a parcel map is not necessary to insure proper legal description of property, location of property lines and monumenting of property lines; and

h) Facilities. That appropriate improved public roads, adequate sanitary disposal facilities, and adequate water supplies are available.

Appeal Process

Parcel Map Review Committee action will be effective 10 calendar days after the written decision is filed with the Secretary to the Parcel Map Review Committee, unless the action is appealed to the Washoe County Board of Commissioners, in which case the outcome of the appeal shall be determined by that Board. Any appeal must be filed in writing within 10 calendar days from the date the written decision is filed with and signed by the Secretary of the Parcel Map Review Committee and mailed to the applicant.

The tentative parcel map approved under Parcel Map Case Number WTPM18-0013 shall be carried out in accordance with the Conditions of Approval granted by the Washoe County Parcel Map Review Committee on December 13, 2018. Conditions of Approval are requirements placed on a permit or development by each reviewing agency. These Conditions of Approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the approval of this tentative parcel map shall be met or financial assurance must be provided to satisfy the conditions of approval prior to the recordation of a final parcel map. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Planning and Building Division.

Compliance with the conditions of approval related to this tentative parcel map is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. Failure to comply with any of the conditions imposed in the approval of the tentative parcel map may result in the institution of revocation procedures.

Washoe County reserves the right to review and revise the Conditions of Approval related to this tentative parcel map should it be determined that a subsequent license or permit issued by Washoe County violates the intent of this approval.

For the purpose of conditions imposed by Washoe County, “may” is permissive and “shall” or “must” is mandatory.

Conditions of Approval are usually complied with at different stages of the proposed project. Those stages are typically:

- Prior to recordation of a final map.
- Prior to obtaining a final inspection and/or a certificate of occupancy.
- Prior to the issuance of a business license or other permits/licenses.
- Some “Conditions of Approval” are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project.

The Washoe County Commission oversees many of the reviewing agencies/departments with the exception of the following agencies.

- The DISTRICT BOARD OF HEALTH, through the Washoe County Health District, has jurisdiction over all public health matters in the Health District.
Any conditions set by the Health District must be appealed to the District Board of Health.

FOLLOWING ARE CONDITIONS OF APPROVAL REQUIRED BY THE REVIEWING AGENCIES. EACH CONDITION MUST BE MET TO THE SATISFACTION OF THE ISSUING AGENCY.

Washoe County Planning and Building Division

1. The following conditions are requirements of the Planning and Building Division, which shall be responsible for determining compliance with these conditions.

   Contact: Kelly Mullin, 775.328.3608, kmullin@washoecounty.us

   a. The final map shall be in substantial compliance with all plans and documents submitted as part of this tentative parcel map application, and with any amendments imposed by the Parcel Map Review Committee. All documentation necessary to satisfy the conditions noted below shall accompany the final map when submitted to the County Engineer and the Planning and Building Division.

   b. The applicant shall comply with all the conditions of approval and shall submit a final map for signature by the Director of the Planning and Building Division within 22 months from the date of approval by the Parcel Map Review Committee. Each agency responsible for imposing conditions may determine whether its conditions must be fully completed or whether the applicant shall be offered the option of providing financial assurances as a means of assuring compliance.

   c. The final map shall contain the following jurat:

      DIRECTOR OF PLANNING AND BUILDING CERTIFICATE

      THE FINAL PARCEL MAP CASE NO. WTPM18-0013 MEETS ALL APPLICABLE STATUTES, ORDINANCES AND CODE PROVISIONS; IS IN SUBSTANTIAL CONFORMANCE WITH THE TENTATIVE MAP AND ITS CONDITIONS, WHICH ARE INCORPORATED HEREN BY THIS REFERENCE, AND THOSE CONDITIONS HAVE BEEN SATISFIED FOR RECORDATION OF THIS MAP. THE OFFER(S) OF DEDICATION ARE (ARE) REJECTED AT THIS TIME, BUT WILL REMAIN OPEN IN ACCORDANCE WITH NEVADA REVISED STATUTES CHAPTER 278.

      THIS FINAL MAP IS APPROVED AND ACCEPTED THIS ______ DAY OF ________, 20_______, BY THE DIRECTOR OF PLANNING AND BUILDING OF WASHOE COUNTY, NEVADA, IN ACCORDANCE WITH NEVADA REVISED STATUTES 278.471 THROUGH 278.4725.

      ___________________________________________________________
      MOJRA HAUENSTEIN, DIRECTOR, PLANNING AND BUILDING DIVISION

   d. The applicant shall provide verification to the Planning and Building Division that all conditions from the Truckee Meadows Fire Protection District have been satisfied.

   e. The approval for this tentative parcel map does not include improvements for driveways or access to building pads. If final construction drawings for the map include grading that exceeds the Major Grading Permit Thresholds listed in Article 438, Grading Standards, the applicant shall apply for a special use permit for grading; and if approved, may be delayed up to three months processing time. In addition, all related standards within the Washoe County Development Code shall be met on the construction drawings.
f. Per Washoe County Code Section 110.404.10, upon cessation or cancellation of the proposed utility use, the parcel created for the public agency or utility regulated by the Public Utilities Commission shall be reverted to acreage or abandoned in accordance with the Nevada Revised Statutes.
