

## Domestic Well Permit Application Requirements

Parcel Address: \_\_\_\_\_ APN No.: \_\_\_\_\_

Listed below are the well permit application requirements for properties served by individual domestic water wells as per the Washoe County District Board of Health Regulations Governing Well Construction. Please make certain the necessary items are included to ensure the application process is completed as expeditiously as possible. If the required items are not included on your plan, they will be returned due to incomplete information. This will require a plan revision and re-submittal. If you have any questions regarding these requirements, please contact Environmental Health Services at 328-2434.

1. **APPLICATION** – The Well Construction Permit Application must be completely and accurately filled out. In addition to the application, the following information may be included with the permit application to help expedite processing:
- A. State issued Notice of Intent (NOI) approvals;
  - B. Any state issued waivers (required if community water is within one mile of parcel);
  - C. Well logs (for deepening or re-developments only); and
  - D. State of Nevada Department of Water Resources approval letters regarding water rights.
2. **PLOT PLANS** - Two copies of clearly legible plot plans, minimum size 18" x 24", maximum size 24" x 36". The scale for properties less than 10 acres shall be in the range of 1 inch = 10 feet to 1 inch = 40 feet. The scale for properties larger than 10 acres shall be in the range of 1 inch = 50 feet to 1 inch = 100 feet. The plot plan shall be drawn to scale and the following information must be included on the plot plan:

**For new well construction, deepening and/or replacement:**

- a. The Assessor's parcel number of the property, which is the subject of the permit.
- b. The name, address and current daytime phone number of the parcel owner.
- c. The direction of North.
- d. Vicinity map.
- e. The parcel dimensions and total parcel area in square feet.
- f. The location of roadways, easements, potential sources of contamination, areas subject to vehicular traffic, material storage or large animal habitation.
- g. The location of any well, on-site sewage disposal system, community sewage collection or disposal system within 100 feet of the subject property if the permit is for a domestic well or 200 feet of the subject property for a public water well. The locations shall be shown with dimensions to the two closest property lines. If none, so indicate.
- h. The location of all existing or proposed on-site sewage disposal system components, including a delineated area for future replacement of disposal trench(es). The location shall be shown with dimensions to the two closest property lines.
- i. The name and location of any available public water system. If none, so indicate.
- j. The location of existing or proposed water supply lines from the well to the place(s) of use.
- k. A diagram of all existing or proposed structures on the property.
- l. A diagram of all existing or proposed drainage improvements.
- m. The location and description of any watercourse and/or drainage channel within 100 feet of the property. If none, so indicate.
- n. The location of the well (and the well to be abandoned for replacements) shall be shown with dimensions to the two closest property lines.
- o. The boundaries of the 100 year flood plain within 100 feet of the property. If none, so indicate.
- p. Indicate in writing if any surface water, rivers, lakes, perennial streams, unlined reservoirs or unlined canals are within ¼ mile of the well location.

**For well abandonments:**

- a. The Assessor's parcel number of the property, which is the subject of the permit.
- b. The name, address and current daytime phone number of the parcel owner.
- c. The direction of North.
- d. Vicinity map.
- e. The parcel dimensions and total parcel area in square feet.
- f. A diagram of all existing or proposed structures on the property.
- g. The location of the well shall be shown with dimensions to the two closest property lines.
