WASHOE VALLEY SCENIC BYWAY CORRIDOR MANAGEMENT PLAN

What is a Corridor Management Plan (CMP)?

- Identifies the corridor's most valuable intrinsic qualities
- Establishes goals to manage and preserve valued qualities
- Address issues related to safety, access, visitor experience and environmental gain
- Identifies opportunities for wayfinding and signage
- Creates marketing and promotion strategies
- Identifies implementation and management strategies to achieve the goals and vision

THURSDAY

Sept. 3, 2015

5:00 - 7:00 pm
